ROADMAP

Most people make plans before they take a trip. Years ago, AAA would give out a map for their members that were going to take a trip. It was called a Trip Tik. It would show the exits on the interstate on their route, and where hotels and gas stations were. It would list restaurants for their members to stop and eat at. I used one several times.

Nowadays most people have GPS on their phones or computers to route out a map. You can speak into your phone and ask "Siri, Alexa, or google" for directions, and she will speak back with directions giving you a "vocal roadmap."

When it comes to the trip called life there is also a roadmap. It gives you directions for everything that really counts. It leads in into faith, love, and peace. It will guide you in ways that you may not have dreamed existed. This roadmap is the Bible. Proverbs is full of wisdom on just about every subject, including finding the right mate for your life's trip. Psalms is full of instruction on how to live.

God doesn't want us to be in the dark about anything. He doesn't give you a "Trip Tik" but he gives you a roadmap to use daily. What is even better, it comes with its personal guide, the Holy Spirit. In John 16:13 it says, ***"Howbeit when he, the Spirit of truth, is come, he will guide you into all truth: for he shall not speak of himself; but whatsoever he shall hear, that shall he speak; and he will shew you things to come."*** You can be assured that Holy Spirit will never lead you in the wrong direction.

The first step to take on your life's trip is to be "born again." Then read the scriptures and let them speak to you personally. God has a plan for you my friend, and it will be revealed as you read his "roadmap." Be blessed!
