A PRAYER REQUEST

In 2 Thessalonians 3:1-2, Paul writes, *“Pray for us, that the word of God (from us) may have free (unrestricted) course...”* He shows his specific concern in verse 2 where he said, *“... that we may be delivered from unreasonable and wicked men, for all men have not (our) faith.”*

Over the years, Paul had many men come against his teaching the truth of the word of God. He requested prayer that his teaching of God’s word would flow (like a river’s course) to all who would hear (or read) it. It would take the prayers of the saints for the word of God to be preached without hindrance, opposition, or censorship.

Spirit of Life Ministries also asks for that prayer. There are passages in the bible that we must be careful about teaching because we minister mostly over the internet through social media platforms. Some biblical principles and scriptures that we hold to be truth could cause us to be censored. We could be possibly banned from social media platforms by “unreasonable and wicked men” who adhere to the views of the world which are contrary to God’s Word, the Holy Bible.

Pray that we, along with other fundamental Christian ministries will continue to have the liberty to teach the unadulterated word of God.

Laws have been passed in many areas of our country and other countries which have decreed some of the Bible to be so-called “hate speech.” In some places it can bring a prison sentence. In other countries it can mean a death sentence.

America is no longer the land of free speech that our First Amendment rights give us. These rights are slowly deteriorating, leaving us with the choice to obey God or man. We choose to obey God. We thank you for your prayers.
