FALSE PEACE

As we enter the days before the soon coming of our Lord Jesus Christ, we must examine some things that will happen. We know from scripture that there will be wars, rumors of wars, and nation will rise against nation. There will be famines and pestilences (plagues) and earthquakes in diverse places. (Matthew 24:6-7.)

These are the beginning of sorrows. The word sorrows translates as throes, pain especially of childbirth. These things will be birthed before the return.

There will be great chaos that has to bring such fear and total anarchy upon the whole world that people will be looking for someone to make things better. At that point of time the antichrist will appear on the scene bringing a plan that will look so good to bring "peace" that many will be deceived. But this peace is short-lived, and his true colors will emerge.

Be watchful as things deteriorate in the world. Do not buy into to the antichrist's plan to bring peace because it will not happen. Nothing and no one person can bring the peace that will bring lasting peace. Only Jesus Christ can do that when he comes back and sets up his reign.

It is our privilege to share the gospel with the lost, so they find this prince of peace for their lives. He alone brings us peace through what is coming. As a short saying goes:

Know Jesus? Know peace.

No Jesus? No peace.
