2024

As we shed off the old year, let us look with anticipation as we enter the New Year. Let us be reminded that God has a plan for each of us, and as we yield ourselves to that plan for each of us, and as we yield ourselves to that plan and protection, we will see victory. We see 2024 as a year of many battles in the natural and the spiritual. Keep your spiritual armor on my friends and watch your words. They will be a snare used by our enemy to accuse us before the throne room of God. Let all that you do in 2024 be guided by the Holy Spirit. He will guide you into all truth! Stay faithful and know that God will be the way maker for all you put your hand to. Don't try to reason things out. Trust God for He alone is our source of life!

GOD BLESS YOU
