THE GODHOOD OF JESUS – LESSON 6

CONCLUSION: GOD IS IN ME

We have conclusively proven that Jesus is God, as is also the Father and Holy Spirit. God's name Elohim is a full expression of the Godhead trinity. How does that impact our life and our being (our self) as a born-again believer?

We looked at Jesus' own words in John 14:20 as He said, **"...ye shall know that I am in my Father, and ye (are) in me, and I (am) in you."** So, the total trinity is in me and you. I am in Jesus and Jesus is in me. Jesus is in the Father, so since He is in Father, so also am I in Father through Jesus, and the Father is in me through Jesus. Holy Spirit likewise dwells in me and I in Holy Spirit whom Jesus imparted into me from Father.

Galatians 2:20 (NKJV) says it well, **"I have been crucified with Christ. It is no longer I who live, but Christ lives in me, and the life which I now live in the flesh I live by faith in the Son of God (Jesus), who loved me and gave Himself for me."**

Now that God lives in us through Christ, we become God's spokesmen on this earth. II Corinthians 5:20 says, **"Now then we are ambassadors for Christ..."**. An ambassador is the official spokesman for his "head of state," in this case, Jesus. Proverbs 18:21 says, **"Death and life are in the power of the tongue."** Whatever we speak carries the weight of spiritual power with it; all power was given to Jesus. Our spoken words as His ambassador carries all His power with it. That is why we must guard our words and choose them very carefully.

So, what are we to do with this power from Jesus who abides within us? Jesus told us that we are to do His works on this earth. In John 14:12 He says, **"He that believeth on Me, the works that I do (and have done) shall he do also, and greater works than these shall he do, because I go (ascend) unto my Father."** Jesus is no longer on earth to do the works; it is now my job and your job. What works did Jesus do while down here? He healed the sick and diseased, restored limbs (body parts), cast out demons, raised the dead, and preached the gospel. He has already done it; now it is our turn.

What we do is done in His name with His power working through us. The glory belongs to the Father and the Son, and not to us. However, we must now be about His work.

Have you (by His name and power) healed the sick? How many demons have you cast out? Have you raised the dead? If not, why not? Don't you believe?

The "church" is full of what I call "unbelieving believers." They are "believers" because they have been born again. They are also "unbelievers" because they do not truly believe the entire Bible. They do not believe all these works can be done through them. If they really believed it,

they would be healing diseases, casting out demons and raising the dead as well as telling others of the gospel of the kingdom of heaven and its Christ.

God lives in you, so get to work. Believe what He said. Believe it; do it.

If you feel your faith is not strong enough, ask Holy Spirit to help you and give boldness to step into it. Faith is like a muscle, to gain strength, it must be used. If you seem to fail in the effort, just keep trying. The more you “try” your faith, the stronger it will get. “Not trying” will keep you weak. Take courage; He will help you.
