HOW DO YOU SEE YOURSELF?

One of the main things our spiritual enemy uses against us is our sin. When we repent of our sin it is washed away and put into the sea of forgetfulness to never be remembered by God for eternity.

God does not see us as we are. He sees us after salvation “in the body of Christ” and when he looks at Jesus, he sees us IN him. We are a part of his body, my friends. Often, we dislike ourselves, but we must see ourselves as we truly are. We are conquerors through Christ.

Ephesians 2:6 it says, ***“and hath raised us up together, and made us sit together in heavenly places ‘in Christ Jesus’.”*** (My emphasis)

We are IN Christ Jesus now. We are seated with him in heavenly places NOW. You must see yourself in Christ and you will see yourself victorious. Jesus has done everything that can be done already, and since we are IN him, we also are victorious.

Isn't it time we stopped believing the lies of the enemy? Isn't it time to live victoriously IN Christ? Yes, we will have times that we are abased, but we learn that IN Christ we can do all things and press through.

So, quit having a down day and concentrating on your past. Let it go and see yourself the way the Father sees you as more than a conqueror IN Christ.
