TRUE SATISFACTION

If one were to go to a third world country and visit the churches there, you would see a whole different way of life than in America and most of the world. As far as material things like most Americans, they have very little but are content with what they have. Many of them are persecuted and even killed for their choice of following Jesus Christ. Many have become martyred because of their faith. Yet, the churches are growing in these countries because they have learned that knowing the Lord and following Him is the only life to have regardless of the consequences of their choice.

Like the apostle Paul in Philippians 4:12 they have learned, ***“I know both how to be abased [made low] and how to abound [to prosper]: every where and in all things I am instructed both to be full and to be hungry, both to abound and to suffer need.”*** Their minds are set on things above and not things on earth that are temporal.

True satisfaction in life comes when you have the peace of God ruling your heart and mind and not your circumstances. God’s peace brings true satisfaction.
