

JOB COSTING 101

FOR OWNERS & MANAGERS

Presented By:
Jane Faulks CPA MBA
Phone: 559-977-8020
jane@accountingamerica.com

This 3-Hour seminar is customized for construction business owners and managers who want to use Job Costing. We'll cover basic job costing concepts and benefits using easy- to-understand examples. We will discuss and illustrate the Percentage of Completion method. Our practical tips will help you focus on the critical items in implementing and maintaining a job costing system.

Highlights:

- ✓ What is Job Costing?
- ✓ What are the benefits to my business?
- ✓ Which method to use for tax reporting?
- ✓ What is percentage of completion?
- ✓ How to implement job costing?
