New to Part B discount
Members who apply within six months of their Part B effective date qualify for \$30 off their monthly premium for the first 12 months.

This applies to any policies with an effective date of February 1, 2020.

Note: Any qualifying individual will forfeit their discount if canceled due to non-payment during the first 12 months of enrollment.

Premium information

We, Health Net Life Insurance Company (HNL), can only raise your premium if we raise the premium for all policies like yours in California. Premiums in this *Outline of Coverage* will increase periodically due to the increase in your age. Upon attainment of an age requiring a rate increase, the renewal premium for the Medicare Supplement Plan Policy will be the renewal premium in effect for your attained age. You will receive written notification of any changes in payment fees at least 30 days prior to the effective date of the new rate. Your premium will also be adjusted when you move to a county in a different rating region as set out in this *Outline of Coverage*. The adjustment will be effective on the first of the month following your change of address.

HNL provides an initial 6-month rate guarantee to members enrolling for the first time into an HNL Medicare Supplement plan. During your 6-month rate guarantee period, your premium will not increase even if HNL has a rate increase or you have a birthday which moves you into the next higher age rate bracket. If, during your 6-month rate guarantee period, you choose to enroll in a different HNL Medicare Supplement plan, your 6-month rate guarantee period will end, and you will be charged the premium for the new plan selected.

The term of your health plan is month-to-month, commencing on the date set forth in the Notice of Acceptance. Your coverage will remain in effect for each month for which premiums are received on or before the date they are due, or within the grace period.

This plan is subject to Guaranteed Renewability

HNL offers various payment options: monthly billing, Automatic Bank Draft (ABD) and via phone with a debit or credit card with a Visa or Mastercard logo.

Choosing the Right Medicare Supplement Plan for Your Needs

Please review the following pages to learn about plan options, monthly premiums and detailed benefit descriptions.

Once you have selected a plan, your monthly premium is based on your age at the time of enrollment, and county or zip code (where applicable) where you reside. Los Angeles and San Diego County monthly premiums are rated by zip code for plans D, High Deductible G, Innovative Plan G and N. For plans A, F, High Deductible F, Innovative F, and G (refer to region 3 for Los Angeles and region 2 for San Diego), rates are based on age at the time of enrollment, and not specific zip codes.

After locating your monthly premium for a particular plan, please review each of the Medicare Supplement plan descriptions in this booklet. You'll find benefit information, details on covered services, and what each plan pays.

Once you choose the plan that works best for your needs, you are ready to enroll!

Read your Medicare Supplement Plan Policy very carefully

This is only an outline describing your Medicare Supplement Plan Policy's most important features. The Policy is your contract. You must read the Policy itself to understand all of the rights and duties of both you and HNL.

30-day right to return the Medicare Supplement Plan Policy

If you find you are not satisfied with your Medicare Supplement Plan Policy, you may return it to HNL Medicare Supplement Plan at:

PO Box 10420
Van Nuys, CA 91499
Attn.: Membership Accounting

If you send the Medicare Supplement Plan Policy back to us within 30 days after you receive it, we will treat the Contract as if it had never been issued and return all of your payments, less any payments made on claims.

Medicare Supplement Plan Policy replacement

If you are replacing another health insurance policy, do NOT cancel it until you have actually received your new Medicare Supplement Plan Policy and are sure you want to keep it.

Disclosures

This Policy may not fully cover all your medical costs. Neither HNL nor any of its agents are connected with Medicare. This *Outline of Coverage* does not give all the details of Medicare coverage. Contact your local Social Security office or consult the *Medicare Handbook* for more details. For additional information concerning Policy benefits, contact the Health Insurance Counseling and Advocacy Program (HICAP) or your agent. Call the HICAP toll-free telephone number, 1-800-434-0222, for a referral to your local HICAP office. HICAP is a service provided free of charge by the State of California.

Complete answers are very important

You do not need to answer questions about your medical and health history if you are applying for coverage during an open enrollment or guaranteed issue period.

When you fill out the application for an HNL Medicare Supplement plan, be sure to truthfully and completely answer all questions about your medical and health history. HNL may have the right to cancel your Medicare Supplement Plan Policy and refuse to pay any claims if you leave out or falsify important medical information. Review the application carefully before you sign it. Be certain that all information has been properly recorded.

AN EXAMPLE SHOWING A DOCTOR'S CHARGES

The following are examples of how the plans pay benefits for Part B charges, assuming a doctor bill of \$2,000 and the annual Medicare Part B deductible of \$226 has been met.

Plan: A, D, and N	Doctor accepts assignment	Doctor does not accept assignment
Charges approved for payment by Medicare	\$1,850	\$1,850
Medicare pays 80% of approved charges	\$1,480	\$1,480
This policy pays	\$370	\$370
You pay coinsurance	\$0	\$150

If your doctor accepts assignment of Medicare benefits, the difference between your doctor's charge (\$2,000) and the Part B charges approved for payment by Medicare (\$1,850) is absorbed by your doctor and you pay no coinsurance. If your doctor does not accept assignment of Medicare benefits, you pay the Part B excess charges.

Plan: F, High Deductible F, Innovative Plan F, G, High Deductible G and Innovative Plan G	Doctor accepts assignment	Doctor does not accept assignment
Charges approved for payment by Medicare	\$1,850	\$1,850
Medicare pays 80% of approved charges	\$1,480	\$1,480
This policy pays	\$370	\$520
You pay coinsurance	\$0	\$0

Unlike plans A, D, and N, plans F, High Deductible F, Innovative Plan F, G, High Deductible G, and Innovative Plan G pay Part B excess charges. Part B excess charges are the difference between doctor charges and the charges approved for payment by Medicare.

Termination provisions

You can terminate your enrollment in this health plan by giving written notice to HNL that you wish to disenroll at least 30 days prior to the month in which you wish to end your enrollment. HNL can terminate your coverage:

- If your premium is not paid by the end of the 31-day grace period, your coverage will be canceled at the end of the 31-day grace period.
- If you have performed an act or practice constituting fraud or made an intentional misrepresentation of material fact as prohibited by the terms of this policy, HNL may terminate your coverage upon 30 days notice, except that no such termination shall be allowed after the expiration of two years from your initial effective date of coverage under this Policy.

If your coverage is terminated by HNL and you have reason to believe that the termination was based upon your health status or requirements for health care services, you may request a review of the termination by the Commissioner of the California Department of Insurance. Information relative to this procedure is available by contacting the Member Services Department.

In the event of cancellation by either HNL (except in the case that HNL demonstrates you performed an act constituting fraud or an intentional misrepresentation of material fact as prohibited by the terms of this policy) or yourself, HNL shall within 30 days return to you the pro-rated portion of the money paid to HNL which corresponds to any unexpired period for which payment had been received. The amounts shall be adjusted to reflect amounts due on claims, if any.

Grace period

A grace period of 31-days is allowed after each premium due date. When payment is not received within the first two weeks of the month for which it is due, a final bill showing the amount owed will be sent to you. If payment is not received within the last day of the 31-day grace period after the final bill is sent, your coverage will be terminated at the end of the 31-day grace period.

Grievance and arbitration

If you have a grievance against HNL, or are ever dissatisfied with our services, and our HNL Medicare Supplement Plan Member Services Department is not able to solve the problem, there is a procedure for appealing the issue. You may write a letter explaining the problem to:

HNL Medicare Supplement Plan Appeals and Grievances Department
PO Box 10344
Van Nuys, CA 91410-0344

HNL uses neutral, binding arbitration to settle disputes that arise out of or relate to coverage under the Policy. When you enroll in an HNL Medicare Supplement Plan, you agree to submit any disputes to arbitration, in lieu of a jury or court trial.

This binding arbitration provision does not apply to claims, disputes or controversies relating to alleged professional negligence (medical malpractice) and applies only to matters arising under this Policy.

Medicare has specific appeals procedures for the portion of the bill it pays. If you feel a decision made on a claim is incorrect, any Social Security office can help you request a review.
