Liberty Place, Inc

“FREEDOM TO TRY”

Providing Program Focused Facilities, Programs & Services for Brain Injury Thrivers

Bootstrap Ranch

Bootstrap Ranch is the third facility in Liberty Place, Inc.'s continuum of care. This facility, on a 25 acre rural setting, offers its 16 residents a more independent living situation, while still having support on site 24/7. The main house has 8 private suites, with private bathrooms, two group kitchens where residents take turns preparing meals with staff assistance, and a cozy living room. Directly behind the main house are two dorms/cottages (his & hers), each having 4 bedrooms, 2 bathrooms, and a shared kitchen where residents can prepare their own meals and experience independent living with a lesser degree of staff support. This allows individuals a safe zone to hone their independence skills before re-launching back into the community..

A short walk from the housing is the Bootstrap Lodge. Here residents have access to a game room, library, and fitness equipment. We also hold our music therapy and other group activities in this gorgeous lodge complete with a grand rock fireplace.
