Business Membership Benefits

Investing in NEP allows your organization:

- Learn about and engage in the important issues affecting our region
- Network with policymakers and professionals from across multiple sectors
- Help shape the conversations that inform NEP's research and advocacy
- Develop your staff as thought leaders
- Communicate your expertise to a broad audience
- Gain visibility across NEP's network

Additional benefits include:

- Recognition on NEP's website and our annual report
- Recognition on the donor wall at our Annual Spring Assembly

Please inquire about opportunities to get involved with NEP's Advisory Council and State Committees
