Club Properties

Both Club Properties are smoke, vape, alcohol and drug free. Please see rules regarding dogs.

- **Baby Beach** — Baby Beach Road
For safety reasons, the beach is available only to club members. There is no parking at the beach.
- **Club Field** — Lost Lake Drive at Cedar Road (next to Lost Lake Fire Station).
The field is available for private gatherings upon approval from the board.

Check out the town trails in the neighborhood: Skitapet Conservation, Skinner Forest, & Duck Pond

Dog Lovers

We are happy that our community has so many animal lovers and pet owners.

Please remember: dogs are never allowed at Baby Beach year round.

- Dogs are allowed at the Mountain Lakes Club Field
- Dog must be on a leash at all times
- Please clean up after your dog - A bag dispenser is on the club shed, if you forgot to bring your own.
- We do not provide a trash barrel at the field, as both the Club Field and Baby Beach are carry-in/carry-out.

A Neighborhood and Community Volunteer Organization

88 years
of neighborhood fun!

Encouraging Community Spirit

Since 1936

Summer residents in the Lost Lake area established the Mountain Lakes Club in 1936. The club was incorporated as a non-profit organization* and has continued to serve the neighborhood throughout the years.

Run entirely by dedicated volunteers, the Mountain Lakes Club strives to keep the spirit of the neighborhood alive. Participation in events is not limited to club members; however, we encourage everyone to join as a way to support our efforts. We hope to see you at our meetings and events and would love to hear your comments and ideas.
* 501C4 Contributions are not tax deductible.

Your Membership

- Allows members-only access to Baby Beach. You will receive a beach pass when you join and we ask that you abide by the rules on our website at mountainlakesclub.org. Please remember to bring your pass when you head down to the beach. We will be monitoring membership this summer.
- Support weekly water testing at Baby Beach, helping to keep it open and safe. (Monitoring costs close to \$1,000 & takes 37 memberships to cover this expense. Additional donations always welcome.)
- Funds neighborhood events, so they can remain free of charge.
- Supports maintenance of Baby Beach and the Club Field.

Our Lakes Community

We encourage families to also join the Groton Lakes Association - a non-profit organization dedicated to the preservation and improvement of the lakes of eastern Groton. You can volunteer to help with the shoreline erosion solutions, be a weed watcher, monitor boats and trailers at the boat launch and more. grotonlakes.com
