

Hello,

April 1, 2024, is the start of our membership year here at ALIGN. We would like to invite current members to renew their membership for the 2024/2025 membership year and encourage those not current to join the upcoming ALIGN membership year.

As a sector, we continue to deal with the ever-changing political landscape and the recovery of the sector workforce after the pandemic. We have continuously provided meaningful communications for our members with important updates and impacts for agencies. The ALIGN Board of Directors supports several sub-committees in discussing the challenges of the sector, exploring meaningful solutions, and setting plans to operationalize these solutions. Our priorities for the year are:

- Continues government relations for both the child welfare and disabilities sectors;
- Occupational Health and Safety;
- Workforce resilience and
- Advancing our Indigenous Cultural Understanding Framework (ICUF) and connecting with Indigenous communities.

We work hard to provide training and advocacy for the whole child welfare and disabilities sector. We hope you have experienced the value of your ALIGN membership, and we look forward to having you as a member for another year.

This year, we have decided to continue with our online membership platform for renewal. The ALIGN Board of Directors made some minor changes to the membership costs last year; please make sure that you take the time to review the new membership levels available for the best fit for your agencies and needs. Member benefits include free and unlimited job postings, event discounts, current and relevant information, research and resources, and a member certificate that you can display in your office.

Please continue on our membership website below to renew or join ALIGN's 2024/2025 membership or to find more information.

Should you have any questions or concerns, please get in touch with Carmen at [carmenm@alignab.ca](mailto:carmenm@alignab.ca).

We value your membership with ALIGN and look forward to another successful membership year!

Sincerely
