

GFWC Hobe Sound Women's Club

The GFWC Hobe Sound Women's Club, Inc., a chapter of the international General Federation of Women's Clubs (GFWC), is a 501c(3) nonprofit 100% volunteer organization. Our mission is to provide civic, educational and charitable benefits to our local Hobe Sound and surrounding communities.

Our fundraising provides girls with scholarships and adult women with education or training opportunities to advance their career and earning potential. Many local homeless programs receive on-going financial support and generous in-kind resources from our members.

Additionally, we host the Community Butterfly Garden in Zeus Park, Little Lending Library, and the Annual Hometown Festival in October.

Funds are raised through various events such as our annual dinner dance. This year our theme is Wacky Tiki Time. We hope you will join us on May 10, 2025, for a Mai Tai.

For more information visit our website at www.thehswc.org. You can also look for us on Facebook.
