

TODAY → 2030 → 2045

# PATH FORWARD

Advancing our region with innovation to enhance mobility.

L RTP Overview

St Johns County Civic Association Roundtable

# North Florida Transportation Planning Organization (TPO)

- The TPO is an independent regional transportation planning agency for Clay, Duval, Nassau and St. John County
- This area encompasses over 3,000 square miles and a population of nearly 1.4 million.

# North Florida Transportation Planning Organization (TPO)

- Roadways/Traffic/Congestion
- Transit Service
- Bicycle and Pedestrian
- Freight and Goods

# North Florida Transportation Planning Organization (TPO)

- [Unified Planning Work Program \(UPWP\)](#) detailing the TPO's annual budget and planning activities;
- [Transportation Improvement Program \(TIP\)](#) listing the funding and staging of improvements for roadways, transit, air and seaports, bicyclists, pedestrians and the transportation disadvantaged over a five-year period; and
- [Long Range Transportation Plan \(LRTP\)](#) with a 20+ year time horizon based on current needs and forecasted future growth which lists the multi-modal transportation projects that are needed and can be funded in that timeframe.

# Purpose of the Long Range Transportation Plan

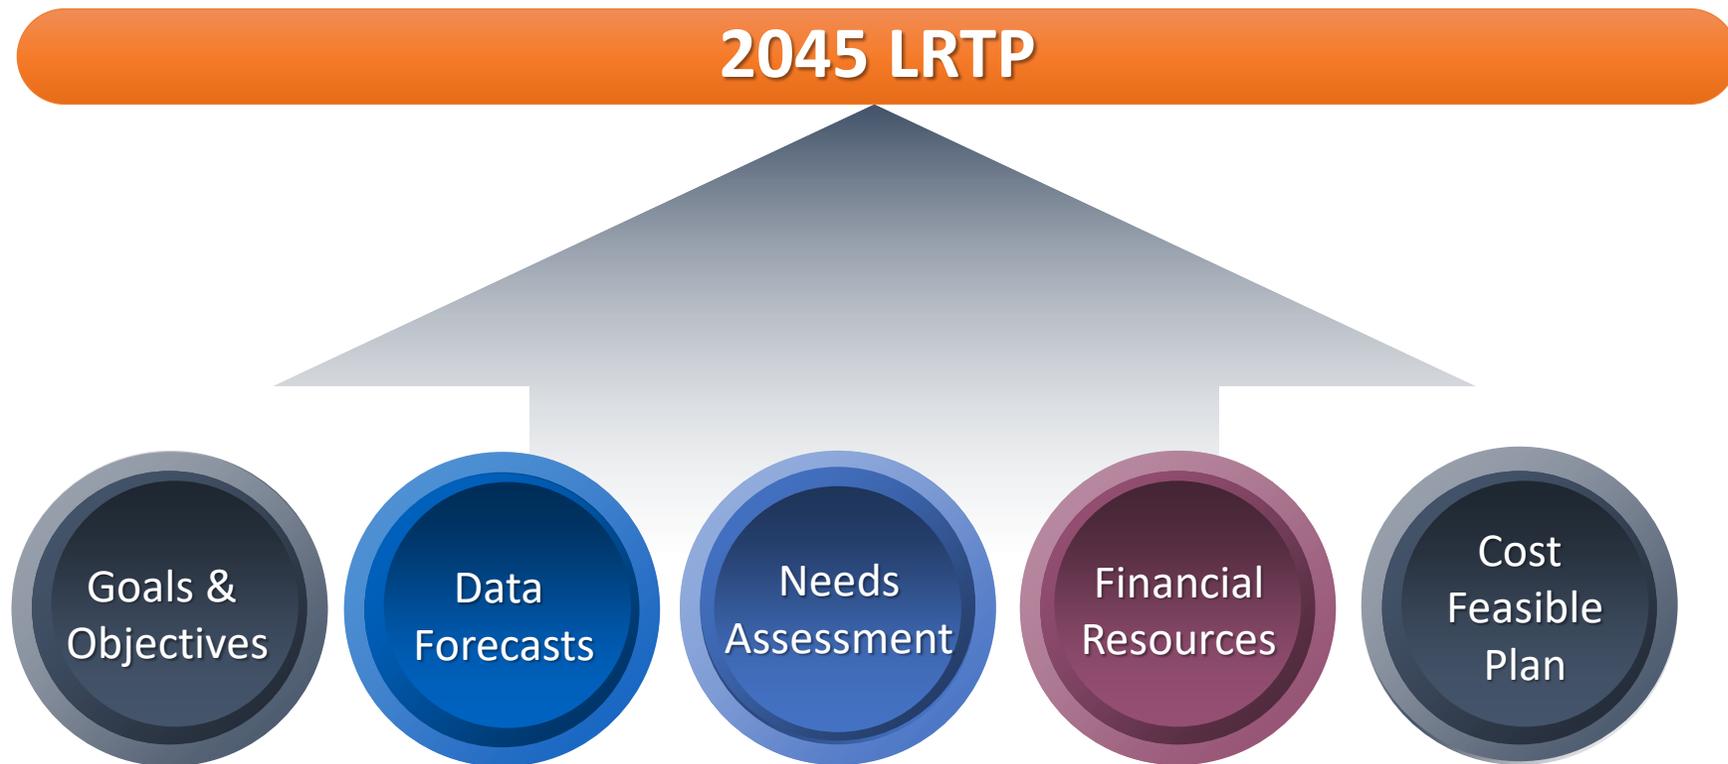

- Blueprint to maintain and enhance our regional transportation system
- Consider current needs and forecasted future growth
- List of multi-modal transportation projects to be funded through 2045 (cost feasible)
- Maintain relevance by updating every five years to consider changes in growth and travel patterns
- Considers changing mobility trends

# What Type of Projects are Included in the LRTP?

- Roadway Projects
  - Arterials and Interstate
- Transit Projects
  - Bus and Rail
- Freight
- Walk & Bike Programs
- Safety Programs
- Advanced Technology

# Elements of the Long Range Transportation Plan

# Key Questions to be Addressed

- How do we develop a balanced transportation system?
- How will we travel around the region in the future?
- How do we expand mobility opportunities for everyone?
- How will emerging technologies affect mobility in the future?

# Transportation Survey

## Typical Commute Modes

**91%**

**Drive  
Alone**

**4%**

**Carpool**

**3%**

**Walk/Bike  
Transit**

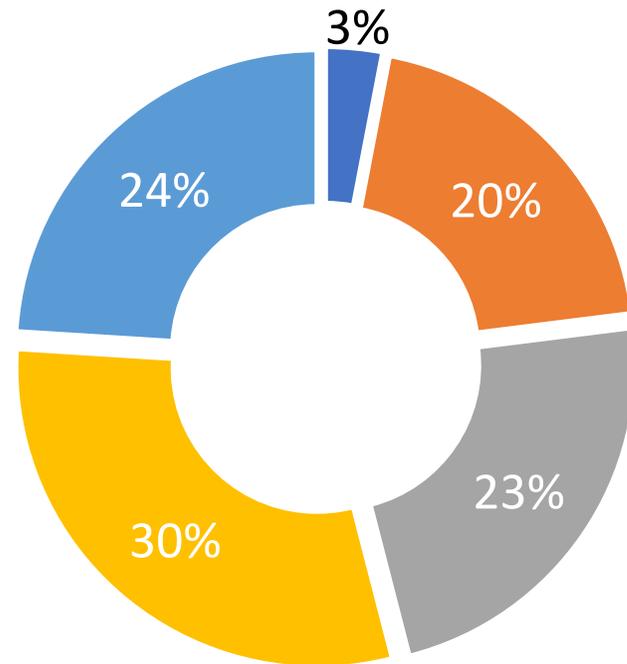

**2%**

**Other**

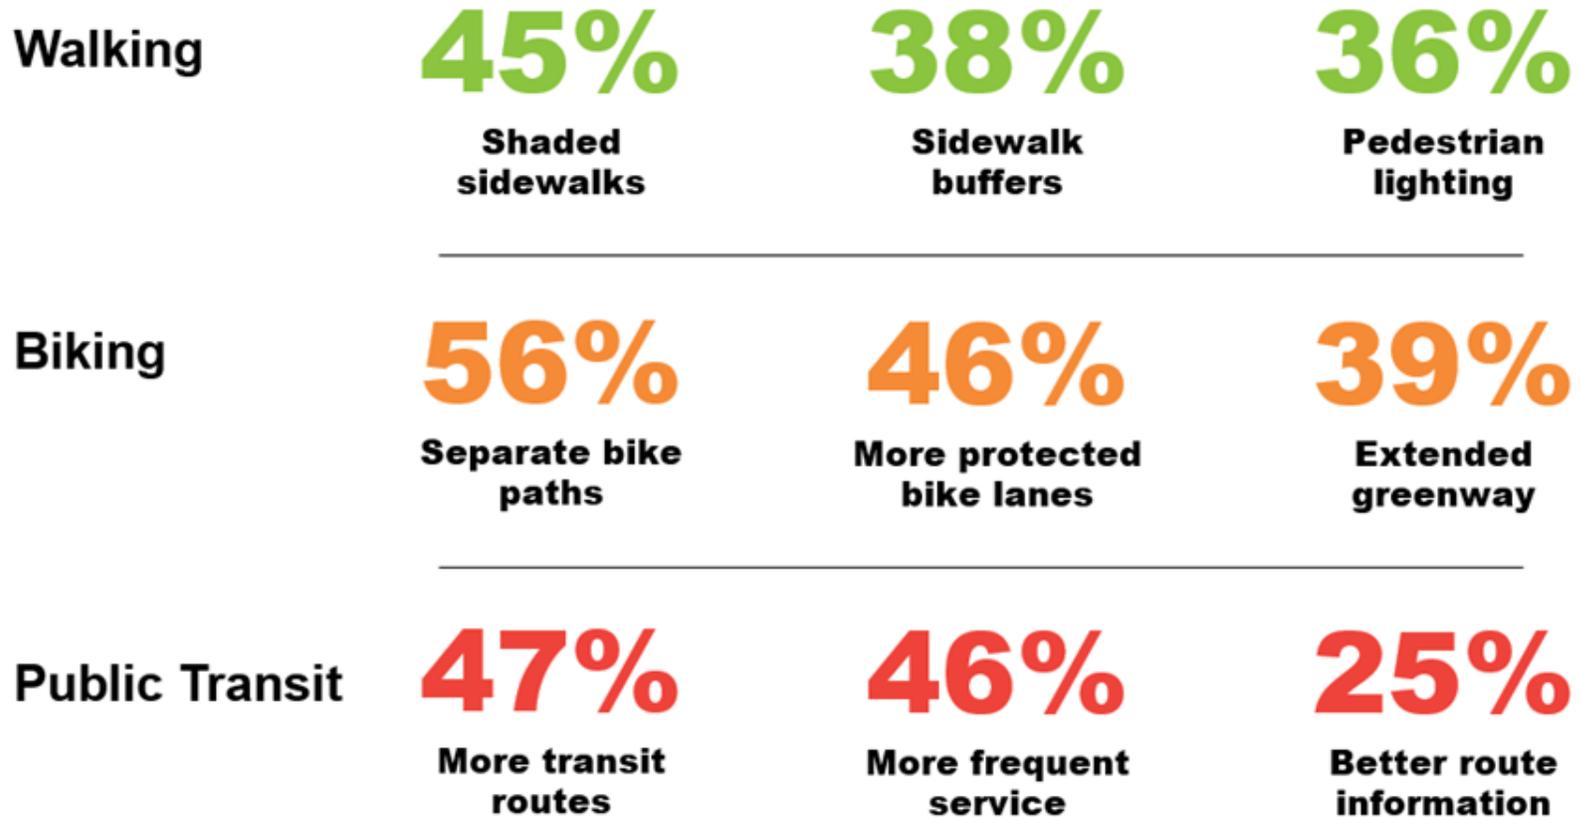

# Transportation Survey

## Commute Distance

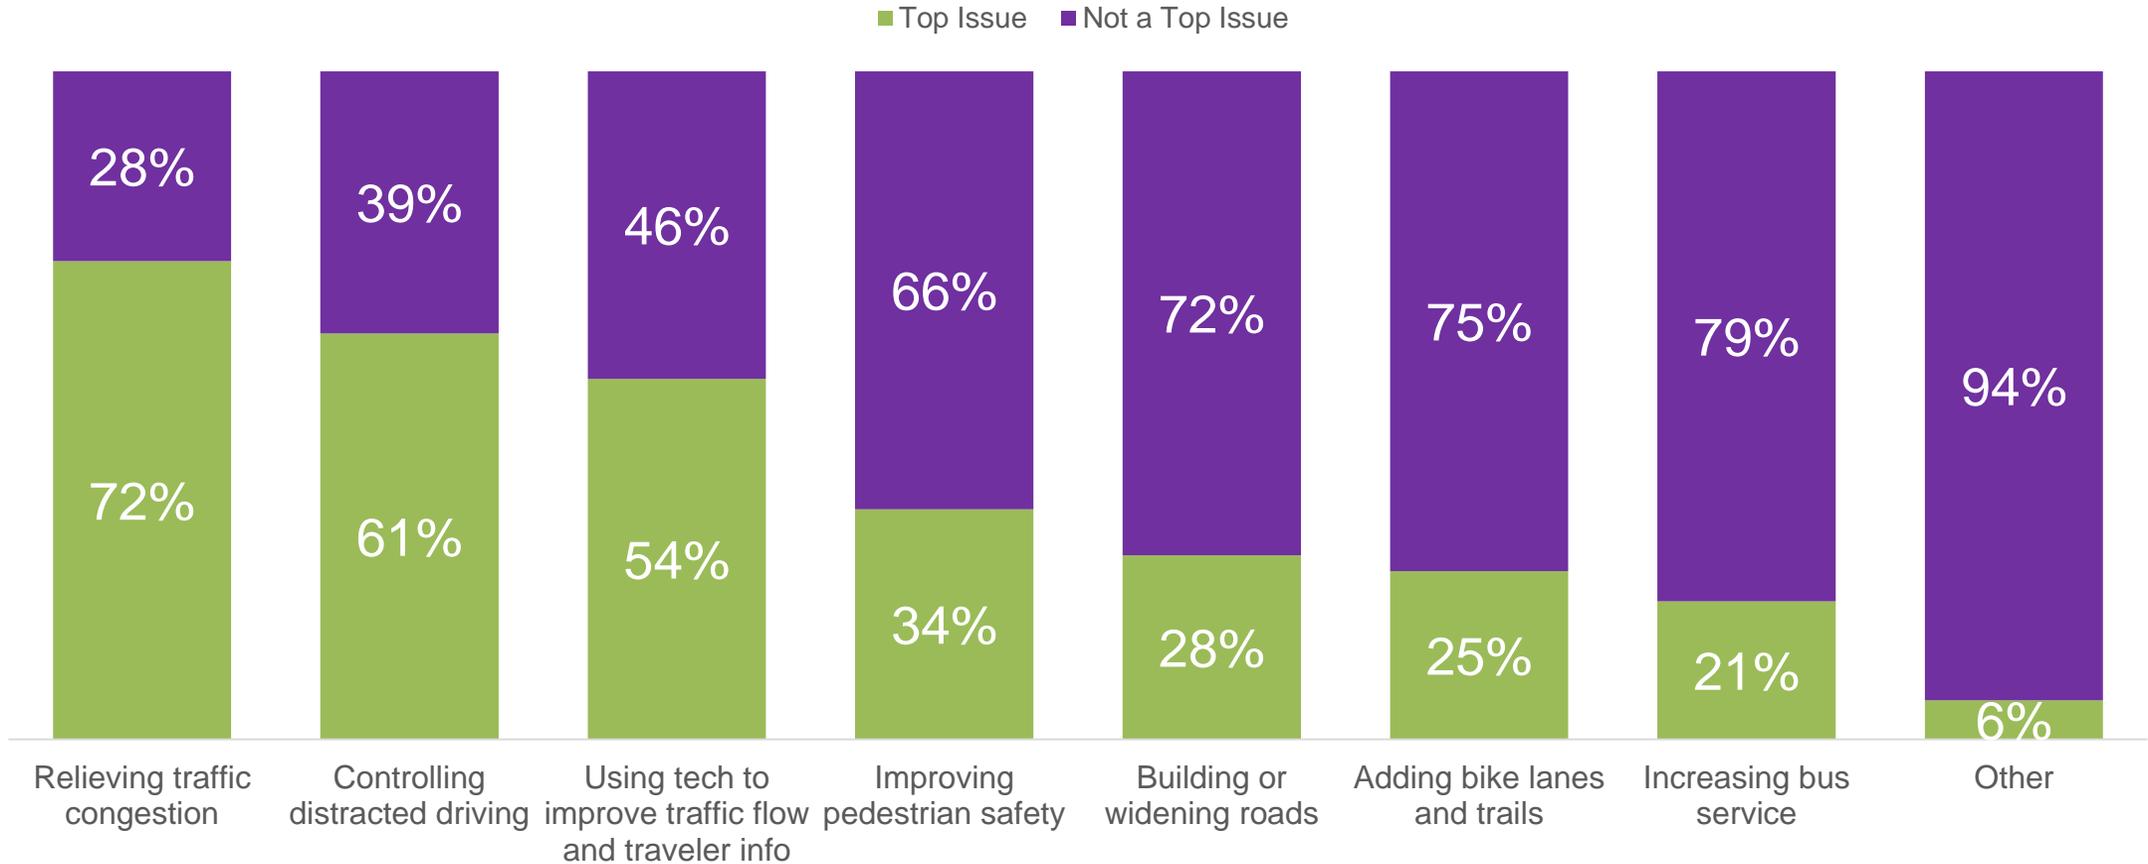

- Less than 1 mile
- 1 to 5 miles
- 6 to 10 miles
- 11 to 20 miles
- More than 20 miles

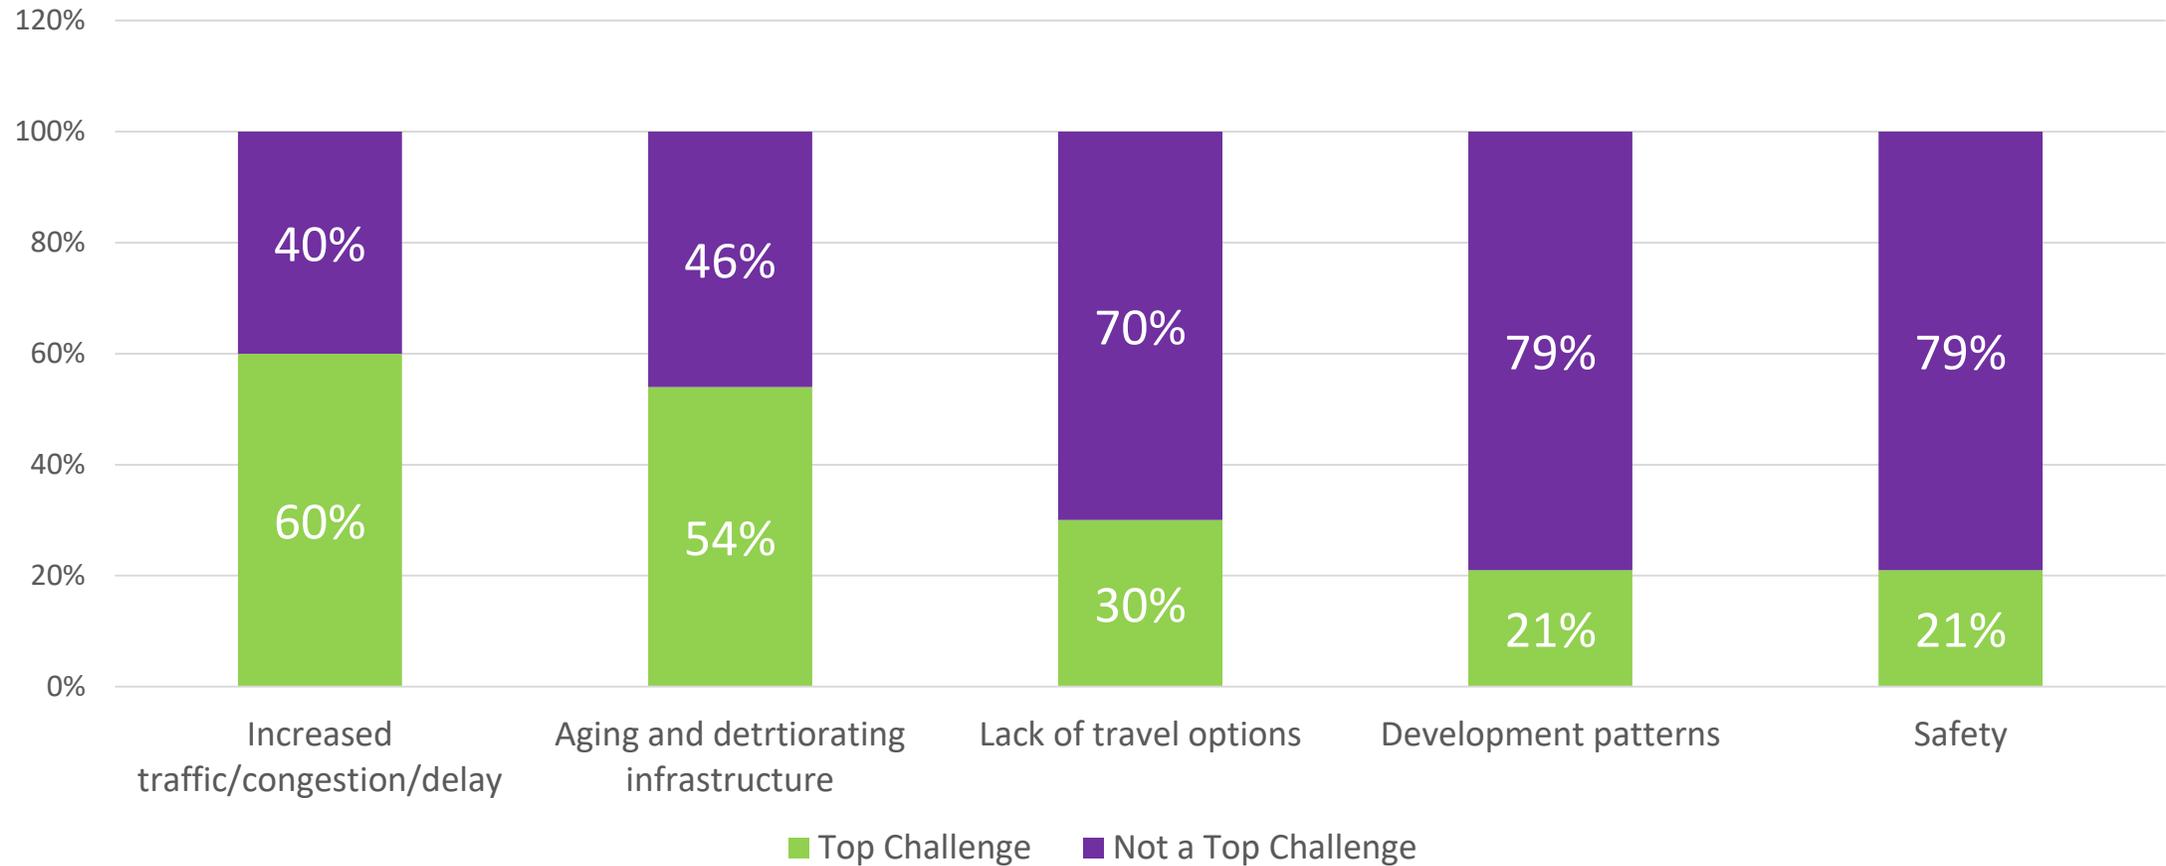

# Top Three Changes

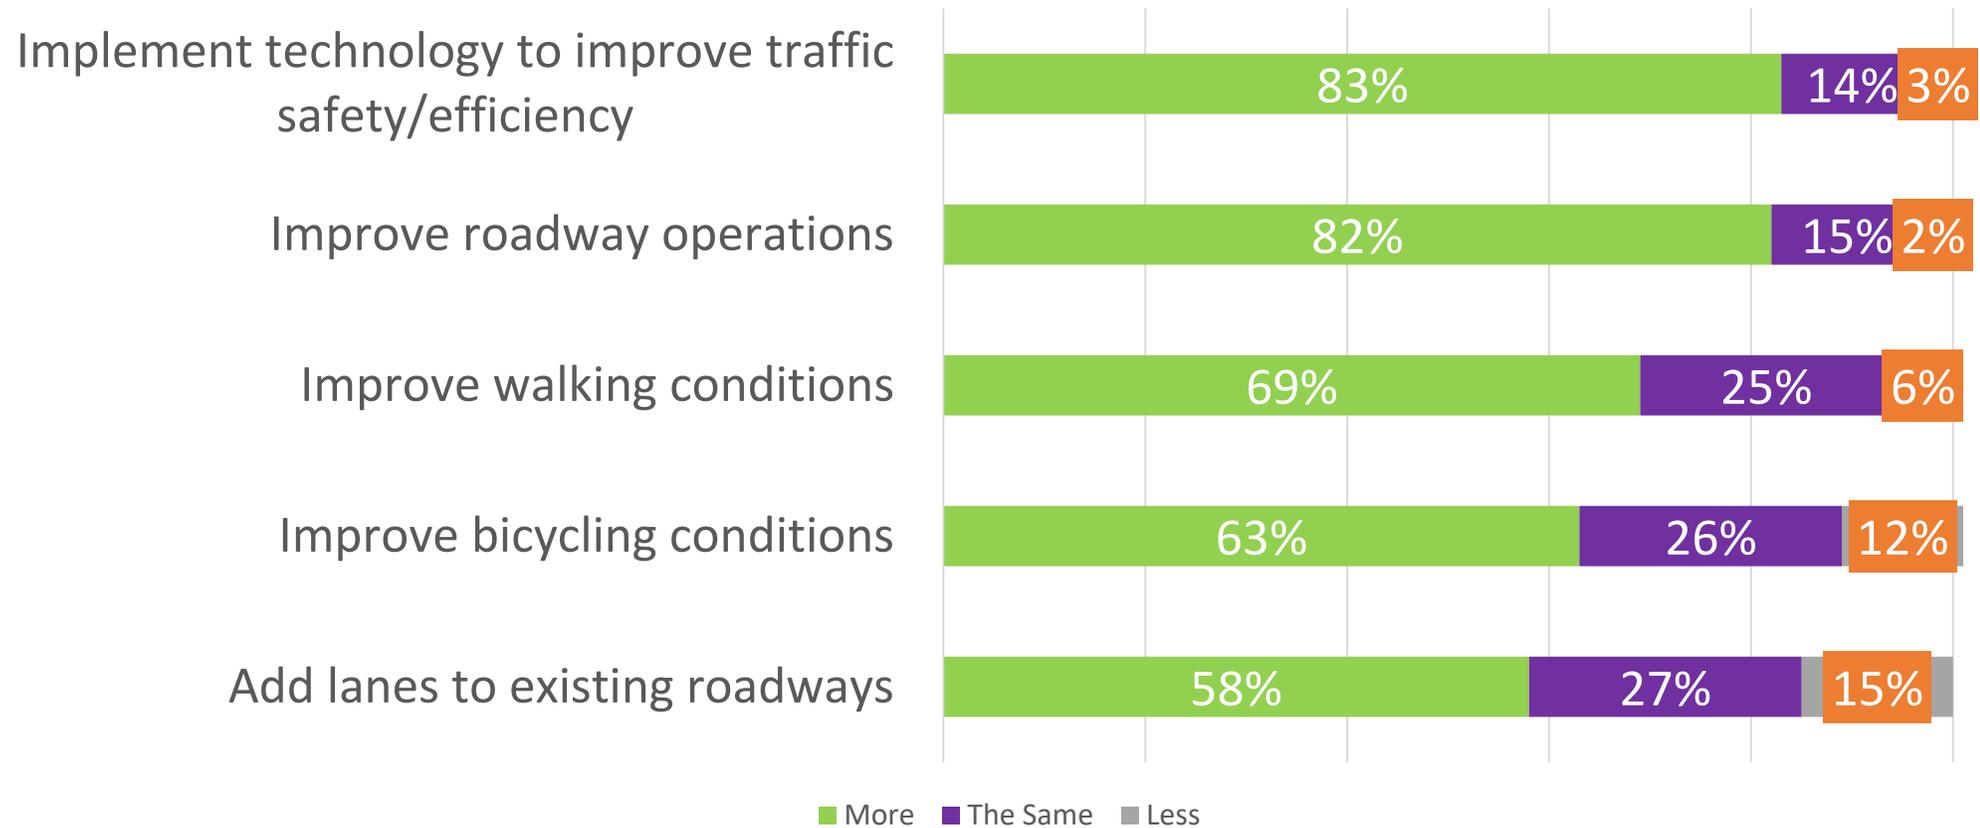

# What do you consider the most critical transportation issues in our community?

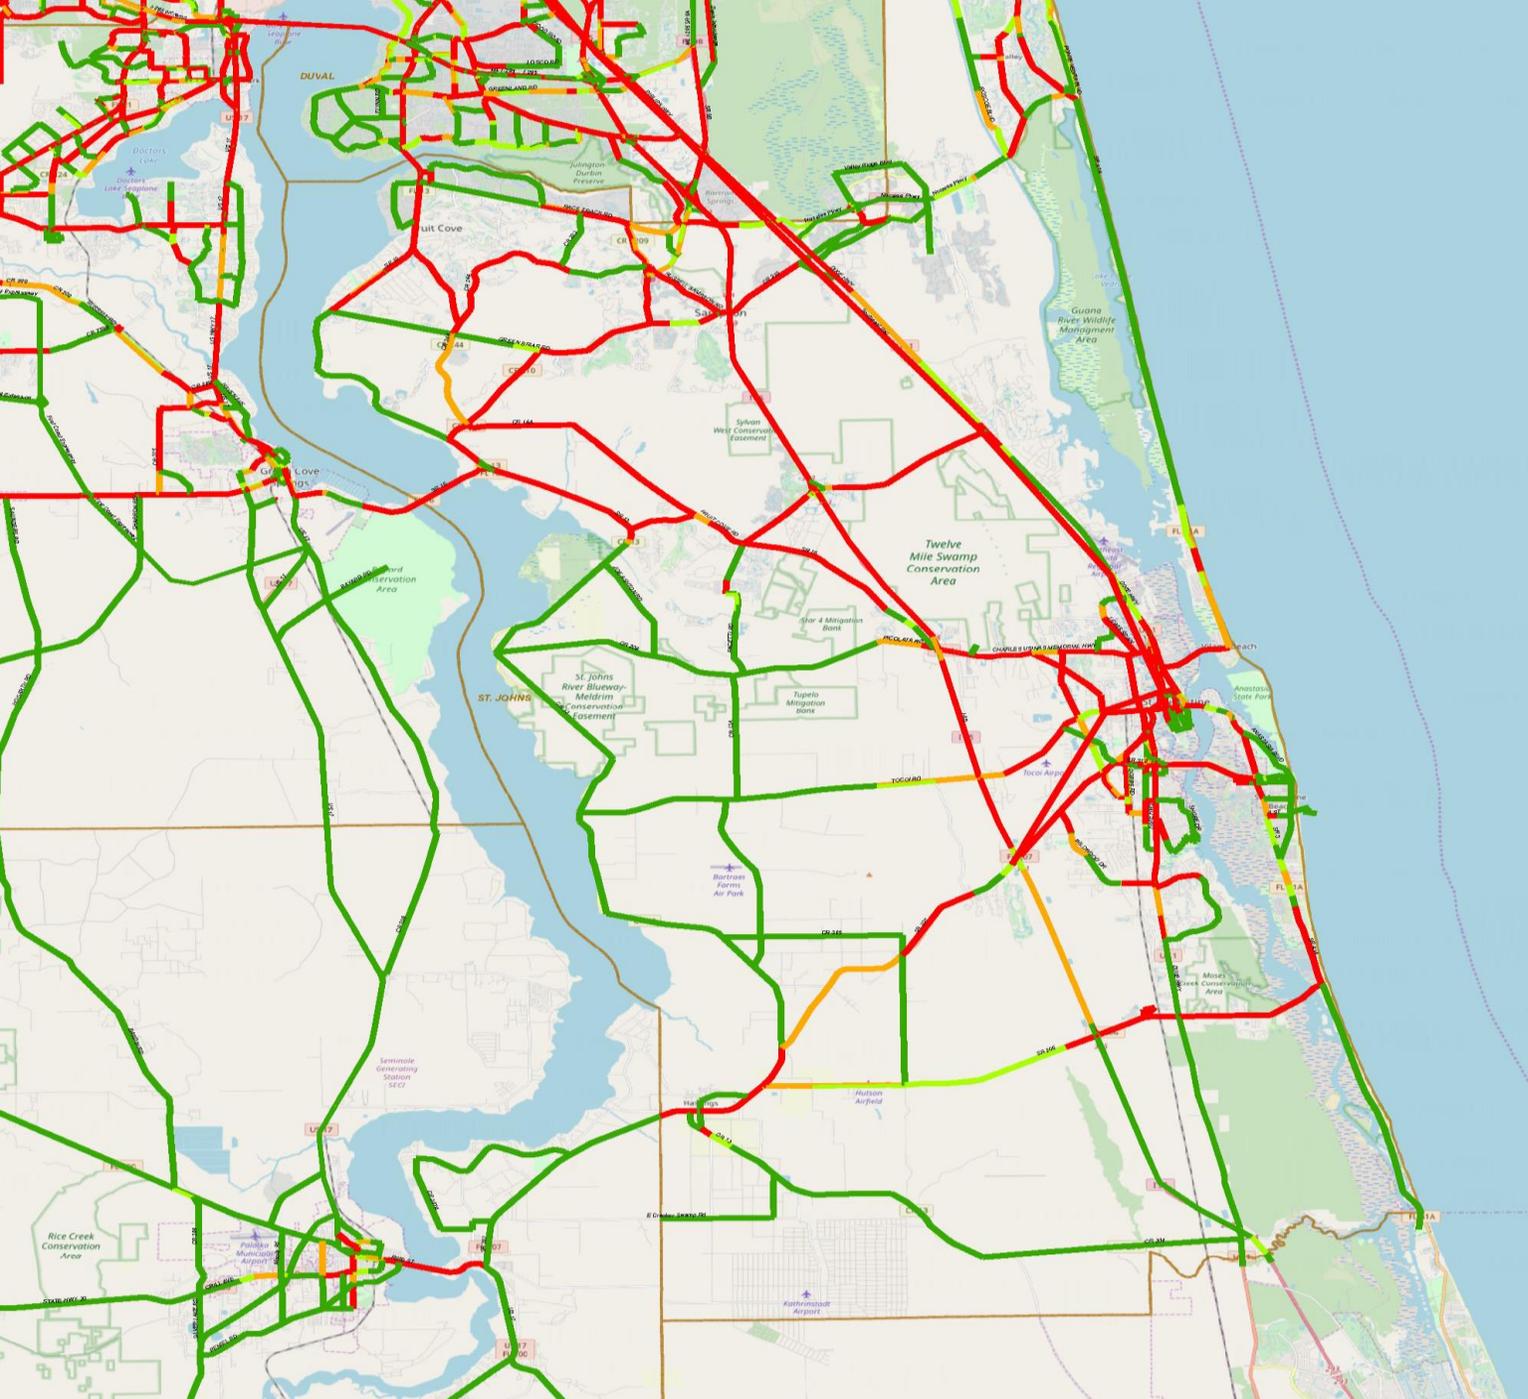

# Top Significant Transportation Challenges

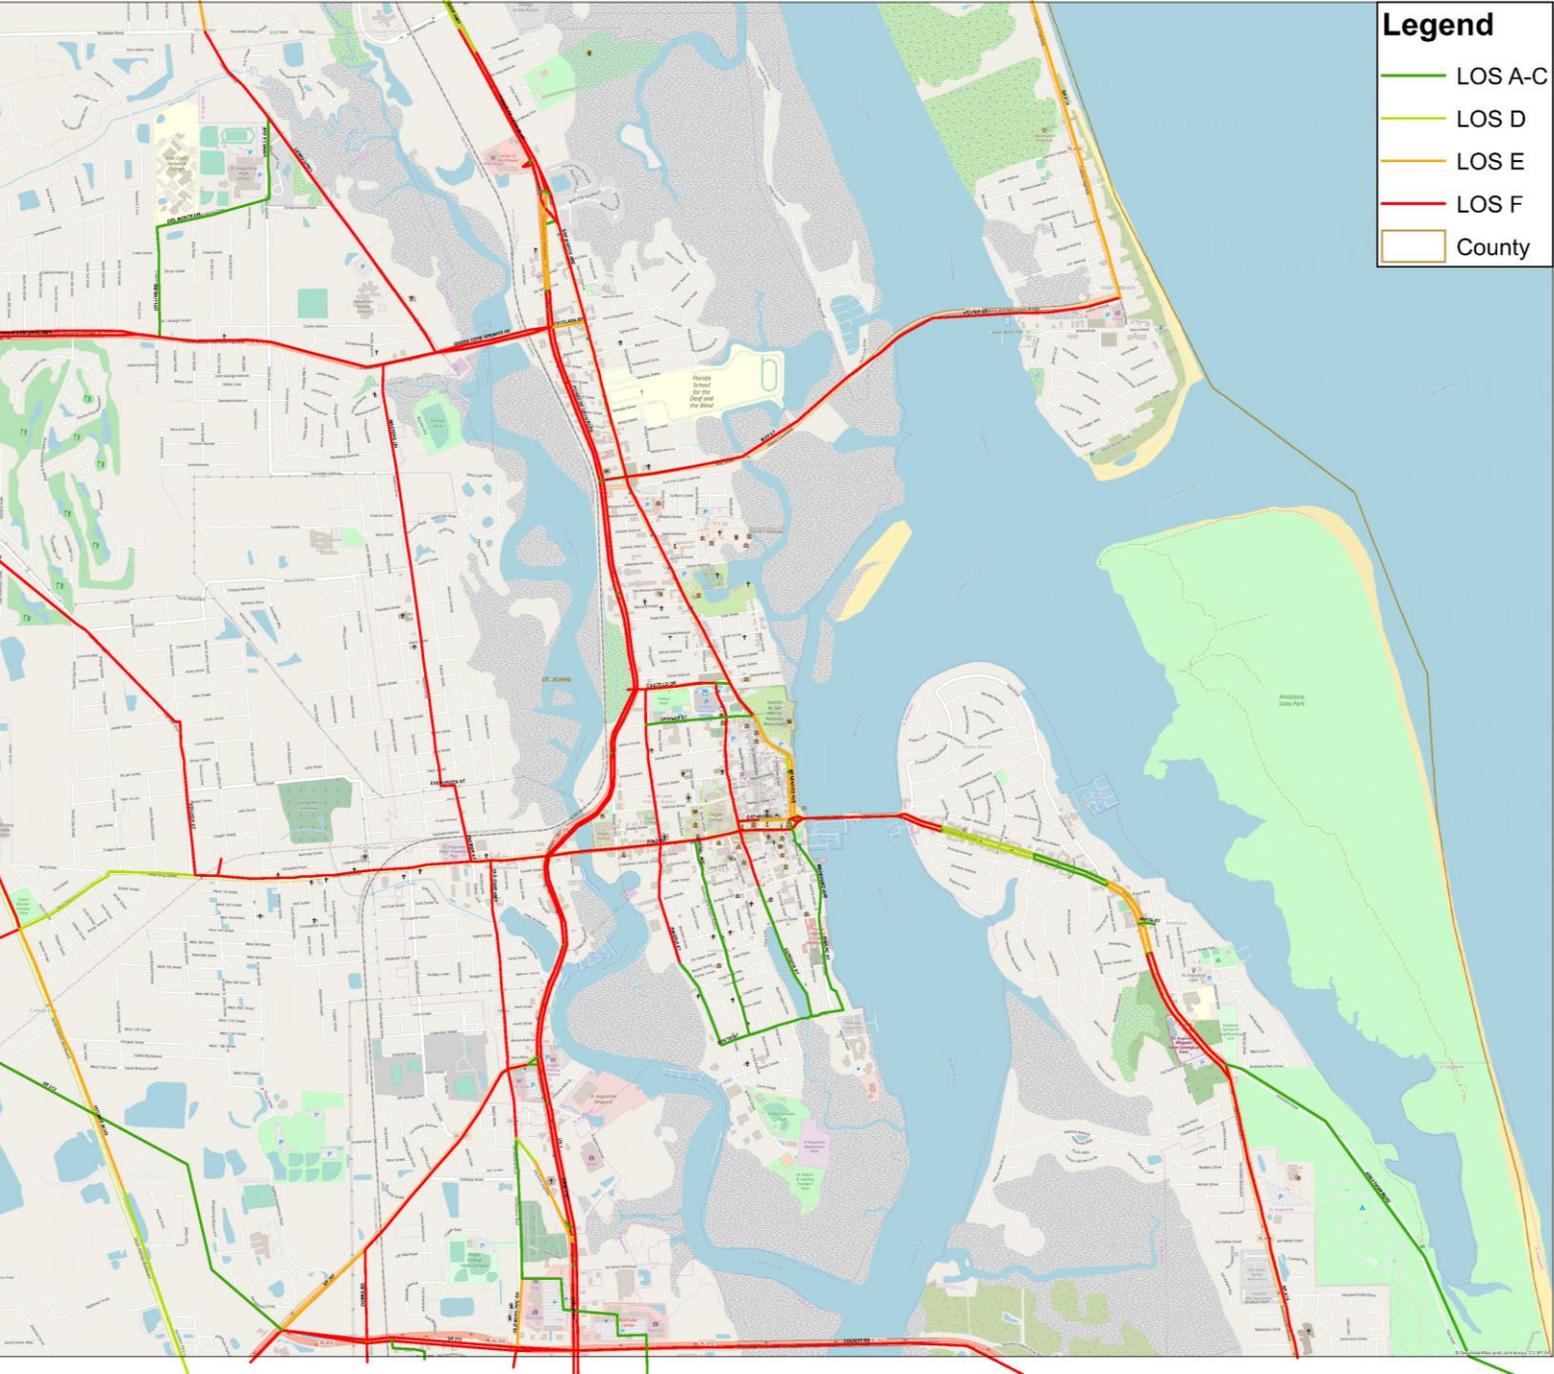

# In what areas should we invest more resources?

# St Johns County

**Legend**
