Missionary Food and Hosting

The Augusta Mission center will be housing a number of missions teams this upcoming year and would love to allow local churches help in the support of these teams from throughout Georgia. If you're able to help provide food or host any meals, please contact us at Assistant@augbaptist.org to let us know.

Backpacks to Appalachia

Backpacks to Appalachia

Thank you to all of our churches who gave backpacks, helped with assembly & logistics, and who served on mission in West Virginia.

Over 900 backpacks were given out to children in schools in Mingo and Logan counties, West Virginia. They received Bibles, the authentic Christmas Story, and many items that will be a blessing this Christmas season. Thank you again to all who were faithfully involved in sharing the love and hope of Jesus!

Mission Next Gen Fundraising Dinner

As you have seen periodically on our website and social media, Steve White is beginning a new ministry/nonprofit called [Mission Next Gen](#). As a part of his new venture, Mission Next Gen is excited to announce their 1st Annual Fundraiser Dinner on Friday night, February 3rd. The location is being determined due to the change in date.

This is going to be a great night and we would love it if you, your spouse, and church leaders would honor our Missionary to Next Gen with your presence and support. To get your tickets, follow [this link](#).

VBS Update

Praying everyone had a wonderful Thanksgiving with family and friends. I know that some VBS directors are well under way with their planning for summer 2023 vacation Bible school. The GBMB will be hosting several Lifeway VBS clinics around Georgia this spring. Those cities include Moultrie - March 4, Bremen - March 11, Lawrenceville - March 18, and Dublin - March 25. Make plans early to attend one of these clinics! If there is anything I can do to help, please let me know. Merry Christmas and Happy New year to all of you!
