We would like to take the opportunity to thank you for your support of the International Association of Trampoline Parks. We are excited to offer you three unique opportunities to showcase your products and services to an audience made up entirely of trampoline park owners, operators and prospective owners!

Each stop on our EU tour will consist of a full day of workshops as well as invaluable networking. You might ask why we decided to do three regional events versus a large conference in Europe this year. Our goal is to engage new parks providing our sponsors with new opportunities.

We will still offer a large-scale exhibit hall and conference at the Paris Hotel & Casino in Las Vegas, NV 20th to the 22nd of September 2020! You won't want to miss IATP in VEGAS! Stay tuned as sponsorship and exhibitor information will be available in the coming months.

Don't delay, sponsorship opportunities will sell out fast! This is your ONLY opportunity as an industry supplier to attend IATP EU 2020. Again, we thank you for your support and should you have any questions please feel free to reach out to our Executive VP, Bethany Evans directly at bethany@indoortrampolineparks.org. We look forward to seeing you in April.

Kind regards,

Ed Reed, Chairman
IATP Board of Directors

Who Should Attend?

Our EU events are tailored 100% for indoor trampoline park owners, operators and perspective owners. Unlike prior conferences the only suppliers in attendance will be you, the sponsors! This provides you with a unique opportunity to showcase your products!

WHO

WHAT

What is expected attendance?

We anticipate over 400 park owners, operators and prospective owners over the course of the three events. Our target audience for Amsterdam is 150, Barcelona 100 and Manchester 150! Why is the target number lower for Barcelona? This is a newer market which is projected as a growth region. We want to engage new parks early on!

When will the exhibit space be open?

You can plan to set up your tabletop space beginning at 7:30am the morning of the event. Please note these are not elaborate setups, simply a space for you to demonstrate your product. We will welcome our attendees for registration beginning at 9am with coffee, tea and refreshments providing you with the opportunity to start networking.

WHEN

HOW

How do we make the most of our sponsorship?

Our program will begin at 10am. Lunch will provide another opportunity for networking as will our built-in breaks. Continue interacting at our networking cocktail reception following each event. Additionally, you will be welcome to schedule one-on-ones with people throughout the day!

What is included in my reg?

Your registration includes all that is outlined in your respective sponsorship package, plus coffee, tea and refreshments, lunch and drinks and light appetizers at our networking cocktail reception.
