Musician Mondays

"Musician Mondays" is a weekly feature we post on our social media spotlighting a North Port Symphony musician's musical background. This month we spotlighted our Executive Director Michael Alegria!

To read his entire interview, click the button below.

Education News

See what Toledo Blade Elementary's music class in North Port is doing to celebrate the school year's closing! Thank you, Teresa Riley, for sharing

the accomplishments of your students!

"Fourth and Fifth Grade students here at Toledo Blade Elementary in North Port are finishing up our year with a songwriting project. Pictured here, Fifth Graders Amy-Lee, and Stella, and Elliana are performing a song they wrote themselves in front of one of our Kindergarten classes. Due to the pandemic, our school is not having any big performances this year, but sometimes the little moments have just as much of an impact. North Port community, thank you for always supporting the "little moments" in our schools!"

- Teresa Riley, Toledo Blade Elementary's Music Teacher

Symphony News

This month, our musicians in the North Port Woodwind Quintet gathered in our rehearsal hall to record their progress! We look forward for more in-person collaborations as we anticipate our upcoming season.

Dear North Post Symphony patrons,
As we await our in-person concerts next year, we are instituting a monthly newsletter to update you on symphony news. In addition, we hope to maintain our community-rooted background by sharing moments from our almost four-decade history and musicians' biographies. We wish you a happy March and hope this little bit of familiarity will bring you comfort.
