Peter Paschke, Principal Clarinetist

Peter Paschke has held our principal clarinetist position since 2002.

Starting at age 10, Peter has been playing the clarinet for most of his life. In high school he played with the New York All State Band and then transitioned to being a United States Air Force musician for 4 years.

Taking a hiatus from music for many years, he has resumed playing since retiring.

As a child, he connected with the wonderful sounds of music, and started his instrument to continue those sounds for the next generation. Playing in the North Port Symphony has afforded him special moments of blending music's rich sound with others - especially with classical repertoire.
