

FOREVER PARKS FOUNDATION
OF PEARLAND

ANNUAL REPORT 2019

*Enriching lives through the
development of and accessibility to
parks and recreation*

Our Mission is to partner with the City to establish premier parks, facilities and programs in Pearland

2019 Highlights

What a great year it was for the Forever Parks Foundation of Pearland. We helped open the doors to a new Parks & Recreation facility, the Delores Fenwick Nature Center, through our sneak peek event in March. We funded the artistic mural in the berm tunnel at the newly renovated Independence Park. We were the event beneficiaries for the SOLD OUT Pearland Turkey Trot in November. Finally, rounding out the year as the new event hosts for the 26th Annual Tour de Lites event which provided a police escort for bicycle and hay wagon riders through the Green Tee subdivision to rein in the holiday spirit and view holiday lights. Through the support of these exciting events the Foundation is raising the bar high for 2020 by setting their sights on three new projects.

2020 Project Goals

- Begin design and fund development for an all-inclusive playground adjacent to the new Miracle Field at The Sports Complex at Shadow Creek Ranch
- Raise \$25,000 for an educational pond at the Delores Fenwick Nature Center in partnership with the Rotary Club of Pearland.
- Raise \$10,000 to continue funding the Pearland Parks & Recreation Financial Assistance Program

What's next?

We are excited to announce our plans to pursue the development of an All-Inclusive playground alongside the current Miracle Field project at The Sports Complex at Shadow Creek Ranch. As a grantee of Shane's Inspiration, playground planning, design and fund development is scheduled to begin this year. With community support, a playground for all abilities will soon be a reality for all to enjoy for years to come. This project is just the beginning of our vision to incorporate inclusive play throughout all parks in Pearland.
