

# Three Steps to **Connect™** for Independence Community

1

## Visit the Homepage

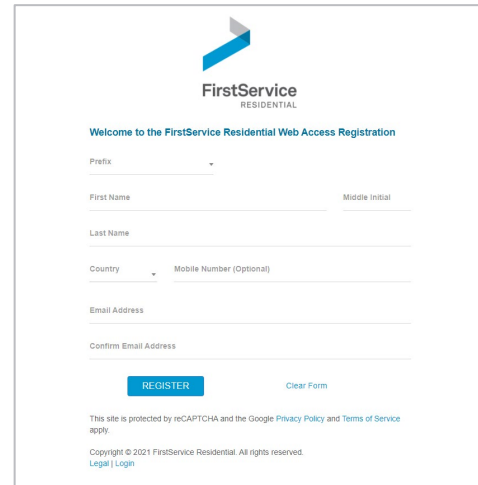

<http://independencecommunity.connectresident.com>  
Make sure not to add a “www.” to the front!

If you already have an account, click “Login” at the top right corner of the site.  
To create an account, scroll to the bottom of the page and click “Create Account”.

2

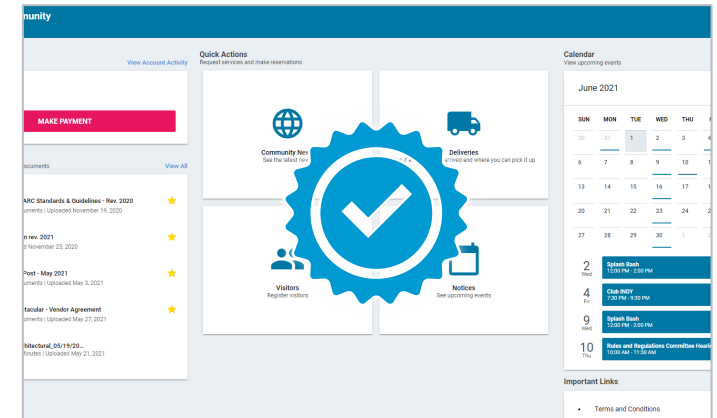

## Create an Account

Fill in the form with the basics, and be sure to use your primary email address. This is where you will receive a confirmation message to verify your account. **Trouble verifying?** Call our 24/7 Resident Care Center at 866-378-1099 for fast, live support.

3

## Connect!

Once you're logged in, you can view community news, documents and resources all in one place. Check for upcoming events, read messages from the management team, review meeting notes, access forms, and more! **Account information** is also visible here: update your contact information, view your current ledger, and see any property-specific violations or architectural applications.
