

Gloria Ray for ACCD, D-2

SERVICE TO ALAMO COMMUNITY COLLEGES DISTRICT (ACCD):

Beginning in 2006, Mrs. Ray served on the successful **Capital Improvement Projects Committee (CIP)** responsible for ensuring the success of the **\$450** Million Bond Election that passed by a landslide. In 2007, she served as **Chairman** on the **ACCD CIP Bond Oversight Committee** entrusted to guide the Bond through successful implementation in accordance with the mandate of the electorate. This mandate included the new construction of **Northeast Lakeview College** and the expansion of the four other Alamo Colleges.

In 2015, Mrs. Ray was elected to serve as **Chair** of the **Citizens Advisory Committee (CAC)** to oversee long range planning to construct a new ACC District Support Facility to guide the Board of Directors toward the most cost effective, as well as durable, long term solutions to house District Operations into the next hundred years. The new 159,217-square foot, three-story facility sits on a 12.5-acre site that was formerly the home of Playland Park. The new offices allow support staff to be housed in one location for the first time. The District moved into the new facility in July 2019.

In 2016, she was again tapped to **Chair** the newly formed **Capital Improvement Projects Committee (CIP)** to advise the ACC Board of Directors in planning for, yet another, \$450 million dollar 2017 Bond Election to enhance District wide structural improvements to enhance the educational experience for students, faculty and staff. This Bond Election, too, was highly successful.
