

# ACTL SUBCOMMITTEES

## WHAT ARE ACTL SUBCOMMITTEES?

The ACTL Subcommittees support the work of ACTL by assisting the Council with executing its charge in the area of focus of the subcommittee.

Each subcommittee is charged with:

- Advocating for the content and/or program area,
- Reviewing instructional components and materials,
- Reviewing content/program area-specific student performance data as needed, and
- Making recommendations in support of improvements to the instructional program that positively impact student achievement and staffs' development.

## WHAT ARE THE SUBCOMMITTEES?

- Advanced Academics and Talent Development
- Arlington Special Education Advisory Board (ASEAC) - collaboration
- Arts Education
- Career, Technical, and Adult Education
- Dual Language Immersion (subcommittee)
- Early Childhood Education
- Educational Technology
- English Language Arts
- English Learners
- Mathematics
- School Health Advisory Board (SHAB)
- Science
- Social Studies
- Student Services
- World Languages

## HOW DO I GET INVOLVED?

Subcommittees meet monthly during the evening. Please visit the [website](#) to learn more about each subcommittee.

To become a member of a subcommittee, please complete the [application](#).

This flier was created by ACTL in September 2025 to support ACTL reps in spreading the word to their school communities about subcommittees. It is for informational purposes only.
