**GET KNOWN  
GET CONNECTED  
GET PAID!**

## SPONSORSHIP & STAGE OPPORTUNITY

Would you like to market your business to hundreds of entrepreneurs who must have products and services like yours to get known, get connected, and get paid?

We are promoting a few, hand selected sponsor experts at our event to showcase techniques and skills that support entrepreneurs with marketing their businesses to help them to break through to grow their business. We will promote our sponsors to thousands of people nationally using email and social media during our marketing for this event, as well as in front of our event audience, estimated at 175-200 small business owners.

All sponsors are invitation only, so you are special. In addition, we are only allowing one business type per sponsor category. At the Drastic Action level (only four spots available), there is an opportunity to speak for 30 minutes in front of the entire virtual audience! Here are the categories of sponsors we are seeking. Once the category is filled, there are no more spots available, so say YES today!
