

How You Can Help Constance Morris House

“Support a Collection Drive”

Periodic Personal Care product collections – basic items are donated for use by the residents while on site. Quarterly drop-offs are arranged.

“Connie’s Kitchen” provides Dinners for the residents of the Constance Morris House each Wednesday and Saturday evening through the efforts of volunteer organizations. We began providing meals 3 nights per month in July and will continue to participate as long as volunteers are available. The meals can be “carry-out” or “home-cooked”! They are So Grateful!!

“The Hope Chest” is an upscale resale thrift shop located in LaGrange (a separate non-profit) provides much needed funds to support the House. 100% of their annual profits go to House operations. The Hope Chest offers clean comfortable clothing at no cost to shelter residents. Our opportunities to support the Hope Chest include donations of new or very-gently used women’s apparel and accessories and volunteering to staff the store during business hours. Check out their inventory for a little shopping as well! Shifts are approximately 3 hours.

For more information on how to get involved with any of the initiatives, please contact Karen Morse at: kmorse706@att.net or 312-848-5180
