

Each year the Women's Club plans a few social events to enjoy painting, crafting, gardening, cooking, baking, taking in local theater, or other fun activities together. In addition to our club events, the Golfview Hills Women's Club traditionally plans and co-sponsors with the HOA or Park District all-neighborhood events such as a Winter or Fall Festival, Easter Egg Hunt, and summer gatherings in Zimmerman Park. The sky is the limit for club and neighborhood events, so ideas and energy to plan other events of interest is always welcome!
