Attending: Luz Canino-Baker, Mary Jaworski, Mary Satchwell, Bea Szoboczki, Anne Cahill, Chris Collins, Shirley Stavinga

Board Minutes

January 9 board minutes were approved as submitted.

Event Attendance and Proposed Survey

The board discussed potential reasons for lower attendance at recent events, which could include timing of events, ongoing concern with COVID and family obligations. Mary J. proposed a detailed survey among GH women to get input on the types of events members would like to see, best timing, etc. Mary J. and Mary S. will begin drafting with a target date to distribute the survey in March. Results would potentially be shared at the spring banquet.

Upcoming Activities

- Feb. 10 – Chili Supper is this Friday. The board discussed reserving a date for 2025 in advance to secure a Friday night.
- March – No event
- April – Earth Day, Saturday, April 20 with Sunday, April 21 as back-up day – Melissa can no longer be at the event but advised she can help plan. Need to confirm that Britany Blair will continue to co-chair and be at event. The Park District has agreed to help fund.
- May – Gardening event; date TBD
- May or June – Women's Banquet. The board discussed timing and location. Mary S. will contact Jen's to check availability/pricing for either the week of May 13 or June 3. Bea noted that she has an artist willing to donate a piece of artwork for raffle or auction at the event to raise money for Beds Plus.
- June 7 – Concert in park. Band is booked.

Communications

As Mary S. reported in an earlier email, the HOA Board does not have a list of who is renting homes in Golfview Hills. Mary J. developed a list of 65 homes that are potentially renters and dropped off a flyer about the chili supper. The board discussed asking Karen Morse to draft a letter and form to distribute to the 65 homes to try and gather accurate emails and information so information about community events can be shared.

Philanthropy Update

Bea advised that Beds Plus appreciates the collections we have been sponsoring. Currently, they are looking to rent or secure more storage space for donations. For now, we will pause on collecting items until storage space is available. Monetary donations will be encouraged at the Chili Supper and in other communications and events.
