

¡Hola!

## Learn Spanish the fun way at Loma Vista Elementary 1<sup>st</sup> to 5<sup>th</sup> Grades

*Give your children the time and opportunity to develop proficiency in Spanish  
Learning a language is a long-term process – the more exposure, the more acquisition*

Research has proven that children should start learning a second language in early childhood. Among the many benefits, bilingualism improves academic progress in other subjects, increases higher order, abstract and creative thinking and can help students score higher on standardized tests. Conversa aims to instill a love for Spanish and emphasizes the importance of understanding Hispanic cultures in a fun, active and natural way.

- **Conversa's curriculum is sequential and builds upon previously learned vocabulary.**
- **New vocabulary and structures are introduced in each session while practicing those from past sessions.**
- **Conversa teaches Spanish using a method called Total Proficiency through Reading and Storytelling.**
- **Students are introduced to Latin American cultures and traditions through music, games and crafts.**
