AUDITION INFORMATION

- Approximate time to audition will be assigned to you by **March 11, 2024.**
- All acts must be at the tryouts to be considered for the variety show. If there will be conflict that day, please contact Jennifer Grim at (626) 523-6172 to make alternative arrangements.

A few things to remember:

- Students can be in no more than 2 acts (excluding class acts). Acts will be limited to 3 minutes each (5 minutes for group acts).
- Song choice will be given on a first come, first served basis. I will contact you immediately if your song choice has been taken.
- All singing acts MUST turn in a copy of their song lyrics before tryout date. (Lyrics can be found by Googling the name of the song, as well as in Apple Music's library.) We must make sure the lyrics are school appropriate.
- Acts must come to TRYOUTS prepared with music and props (or at least a clear vision that can be communicated to me). Costumes are not necessary for tryouts.
- You must perform to the same song that you use for auditions (if applicable)
- Please practice for the tryouts. You do not have to have your act perfected but I do want to get a sense of what the act will be. I will be able to give you suggestions that will enhance your performance at the tryouts. If you have any questions about the variety show and/or tryouts, please contact Jennifer Grim at (626) 523-6172 or jennifergrim26@gmail.com.
