

**SPRING FORWARD**  
Don't forget to set your  
clocks forward on  
Sunday, 3-8-2020.

*It's that time of the year again. It's Daylight Saving Time.*

**March comes in like a lion and goes out like a lamb**

Because March straddles winter and spring in the northern hemisphere, it tends to have very harsh, unpleasant weather in the beginning but typically has milder, more palatable weather by the end. The phrase is often rearranged, separated, or otherwise slightly reworded.

How has March started for you? Harsh? Unpleasant? Good news is, everything is temporary! Times change. Maybe you like the Fall Back, you get that "extra hour" but in life are there not times you are so excited for what is to come you have trouble in the day and want to Spring Ahead? Trust the times and seasons of your life, good or bad, we need to keep on keeping on.

**Isaiah 43:19 (NIV)**

19 See, I am doing a new thing!  
Now it springs up; do you not perceive it?  
I am making a way in the wilderness  
and streams in the wasteland.
