### BUSINESS SUMMARY:

*Connecticut Components, Inc. (CCIYES)* is a small, woman-owned business located in Tolland, Connecticut. We are a multi-generational company established in 1994, with a staff of loyal, experienced employees who provide a consistent commitment to its customers.

**MISSION:** To ensure the success of our customers who specialize in the Power and Process Industry by supplying premium instrumentation and industrial components through trusted relationships, tailored solutions, and exceptional service.

### VALUES:

**Commitment** – We are committed to professionalism, responsiveness, developing long-lasting relationships, and delivering unparalleled customer service to our customers.

**Excellence:** Offering over 30 years of combined working knowledge and experience in the fitting and component industry.

**Integrity:** We conduct our business openly and honestly.

### DIFFERENTIATORS:

- **WHAT SETS CCIYES APART?** **CCIYES** has a strong, dependable vendor list to pull from. It is our practice to go above and beyond to provide the best quality product for the best price for our customers.
- **CCIYES** picks up the phone and does not have a recorded hold line.
- **CCIYES** employees attend vendor training opportunities to remain educated and current on industry advancements.
- Our primary line DK-Lok is one of the most certified tube fitting and valve manufacturers in the world. With a guaranteed leak-tight seal in process, power, and instrumentation applications.
- **CCIYES** embodies its core value of commitment to its customer.

### PRODUCT PERFORMANCE SUPPLIER:

In its over 30 years as a supplier to the process, power, and instrumentation industry, **CCIYES** works with the following companies:

**Collins Aerospace**- Windsor Locks, CT

VMI (Vendor Management Inventory); supply of multiple crib locations with compression fittings, valves & gauges, and as-needed orders by issue of standard PO's.

**Pratt & Whitney** – East Hartford, CT

Providing industrial, instrumentation, and tubing.

**Eastman Chemical Company** – Springfield, MA

VMI (Vendor Management Inventory); multiple crib locations with compression fittings, valves, gauges & tubing. Fulfilling of P-Card, Basket Orders, and traditional PO's.

**Eversource** – Newington, CT; **Fuelcell Energy** – Danbury, CT; **CNG** – Rocky Hill, CT

*These are just some of the companies we service.*
