## DRAYAGE SERVICES

Provided by

All shipments should be sent to the Advanced Warehouse as per the inbound timeline. If you have a preferred carrier you would like to use, please do so. Notification is not required to ship your goods to the advanced warehouse; however, you should still book a drayage notification on our website. ([www.rglships.com](http://www.rglships.com)) All shipments should arrive no later than June 16<sup>th</sup>, 2023 in order to avoid late fees (Late fee schedule listed on Page 5).

**International Shipments** – Please make sure your carriers know how to properly import and export your shipment for the PAF. PAF nor RG Logistics can be an importer of record for your shipment, however, PAF can be the Ultimate Consignee for your shipment. Please keep in mind that this means that you will need to have your carrier provide a customs broker to clear your shipment. If you are shipping Internationally, it is best to have a single carrier do both the import and export of your goods. For small parcel shipments, mainly FedEx and UPS shipments, any customs related charges that are billed to PAF or RG Logistics will be immediately charged to the exhibitors' credit card on file plus a 25% service fee.

**Drayage Services**– Shipments sent to the advanced warehouse through any carrier other than RG Logistics are considered a “drayage” shipment and will be charged according the below fee schedule. All drayage shipments will be weighed at the advanced warehouse and this weigh will become the basis for the charges.

Additional terms and conditions are applicable and details can be found at [www.rglships.com](http://www.rglships.com)

Important Note: Loss/damage liability covers damage to internal contents (merchandise) and not the actual packaging itself.

### Oversized Items

All reasonable efforts will be made to get your freight into the assigned room. If your freight is oversized, it will be placed in a location/room where it can be secured. A piece may be determined to be oversized if it is too tall, wide or heavy for standard placement. This determination is made at the sole discretion of RG Logistics to protect the moving staff as well as the merchandise. If a piece of freight is determined to be oversized, exhibitors should talk to an RG Logistics staff member at the shipping desk. RG Logistics reserves the right to refuse to move an oversized piece of freight into the hotel if there is a risk of harm to the staff or merchandise from such movement.

### Claims

If you have a claim, please notify RG Logistics immediately by sending an e-mail to:

[tradeshows@rglships.com](mailto:tradeshows@rglships.com)

An RG Logistics representative will respond with a claim form for you to fill out. The claim form must be filled out in its entirety and submitted back to RG Logistics within 14 days of the freight delivery date. In order for a claim to be processed, the shipment charges must be paid in full. Non-payment and/or not abiding by the claim deadlines can result in a denied claim.

### Payment

If you have not already done so, please complete the credit card authorization form online. RG Logistics will accept checks for payment of services rendered as long as the backup credit card payment form is completely filled out and returned prior to shipping. Unless stated otherwise, the freight/drayage charges are the responsibility of the exhibitor to which the goods are consigned.

A 3% transaction fee will apply to all payments.
