Sponsorship Opportunities

Established in 1983, ECS is one of the largest, most comprehensive providers of services and supportive housing in San Francisco. Proceeds from our CHEFS Gala support ECS' vital shelter and housing services, disability and healthy aging services, and our adult education and employment initiatives, including the CHEFS culinary training program that provides skills training and pathways to employment.

With your sponsorship, your company becomes part of the nearly 350,000 annual meals the ECS CHEFS program serves to individuals with food insecurity, touching the lives of more than 12,000 people our services impact every year, and allowing us to invest in opportunity for vulnerable community members to chart their own career paths in food services.

Guests will enjoy an evening of specialty hors d'oeuvres, wine, a sit down dinner, signature cocktails, as well as music and a live and silent auction. Each year, the event profile rises with greater attendance and more key influencers, as well as quality auction items. This year we expect around 250 individuals in attendance. Throughout the evening, we will feature a number of graduates and students enrolled in our CHEFS (Conquering Homelessness through Employment in Food Services) program. We truly hope you will join us in this celebration.

Benefits of Sponsorship

- High visibility sponsor recognition throughout event
- Recognition in event program
- Listing in press releases
