

ECS HOUSING CORPORATION

1/13/22

Dear Granada Resident,

1000sutter.com is now up and running!

While we wait to safely gather in-person, we hope this website is a helpful tool for sharing information about renovations starting later this month. On the site, you'll find a recorded presentation by the project team and Contact Us section to submit questions.

Next week, each resident will receive a packet that includes the General Information Notice explained in the presentation and a Frequently Asked Questions (FAQ) document about the project.

Starting on 1/20/22, I will be at the Granada each Thursday at 10am for coffee hour. Staff will have tablets for residents to use to access 1000sutter.com and I will be there to introduce myself and answer questions.

I look forward to working with each of you. If you have any questions, I can be reached at 415-722-3584 or patiboyle@comcast.net.

Thank you for your patience as we continue to adapt and navigate the challenges of COVID 19.

Sincerely,

Pati Boyle
