

2021 CCHPC 5D Barrel Volunteer Incentive

(applies to 5D barrels only)

Buck up and volunteer award

In order to run an efficient race, we rely on volunteer power! Often it ends up being the same ones who always volunteer and we'd like to expand and not burn out the same people.

To encourage volunteering from varied participants and family, let's make it a competition! (Chair people, their significant others, and children are not eligible.)

1. Participants will receive points for very specific tasks
 - a. It is each participants responsibility to report their tasks to Joy or Jessica by midnight day of the race
 - b. **Anyone** that volunteers is eligible! There are many parents, spouses etc that put in time and can have the opportunity to earn an award even if they do not ride
 - c. This is a per person basis to earn points
 - d. A sign-up sheet for open spots will be posted at least 1 week prior to the event
2. Points will be tallied as follows:
 - a. Hang banners and place barrel wraps *prior* to the race (4 people max) = 6 points
 - b. Take banners down and remove barrel wraps *after* the race (4 people max) = 10 points
 - c. Run gates for 5 drags of the tractor (2 people) = 3 points
 - d. Set barrels for 5 drags of the tractor (3 people) = 3 points
 - e. Set poles up prior to exhibition and during open run (3 people) = 6 points
 - f. Announce or other office duty (when needed) = 3 points
 - g. Empty green trash cans (5 total) into large dumpster *after* the race (2 people) = 6 points
3. Early season award
 - a. After race 5, anyone with more than 20 points will be in a drawing for a **FREE** entry fee! (*Must be used before end of the 2021 season.)
4. Year-end award
 - a. Volunteer with the most points will receive a prize bundle *valued over \$50!*
