I understand that \$15 of my dues will be applied toward my subscription to Utility Contractor magazine. NUCA dues may be deducted as a business expense, but not as a charitable contribution. The Internal Revenue Service limits the amount of business expense deductions for dues paid to an association that engages in lobbying activities even if dues are not used for lobbying. The amount excluded for 2022 is 29% based on IRS criteria.

Who recommended that you join NUCA? _____

NUCA Membership Types and Qualifications

Excavator/Contractor: Any person, firm, or corporation engaged in excavation, site preparation, earth moving or the construction and/or rehabilitation of utility systems including, but not limited to, storm sewers, sanitary sewers and drainage systems, water lines, cables (underground communication and electric), ducts, conduits, gas lines, tunneling, boring, trenchless construction, treatment systems, pump stations and other utility construction and appurtenances thereof.

Associate: Any person, firm, or corporation involved in the excavation or utility construction industry as a supplier of equipment, materials, or services to contractors.

Specialty Contractor: Any person, firm, or corporation that employs labor on the job site, but does not bid or perform any utility construction or excavation work.

Institutional: Any school or governmental entity (local, state or federal) involved in the utility construction and/or excavation industry.
