## Cliff Drysdale Tennis Announces Exclusive Partnership with Techlight

New Braunfels, Texas (August 18, 2022) — Cliff Drysdale Tennis, a Troon Company, has announced an exclusive partnership with industry leading lighting company Techlight. The partnership makes Techlight Cliff Drysdale Tennis and Troon's preferred lighting vendor for all tennis, pickleball and paddle lighting structures.

Techlight and the Sports Lighting Division have been committed to offering personal and friendly service with quality products at an economical price for over 35 years.

### What our sports lighting products will do for you:

- Maximize maintenance and labor savings
- Decrease your facility's overall energy consumption
- Deliver a more controlled, uniform and usable light than your traditional lighting systems
- Increase the playing day and allow your facility to accommodate more athletes and matches

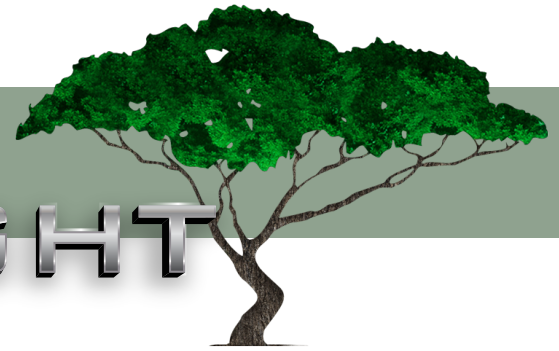

Contact their National Sales Director, Beau Summersill, for a free quote and to learn more about their promotional programs!

Retrofit from Antiquated HID fixtures to More Efficient LED tennis lights.

## About Cliff Drysdale Tennis

Founded in 2001 by International Tennis Hall of Fame member Cliff Drysdale and partner Don Henderson, specializes in daily tennis and fitness operations and management for resorts, hotels and private clubs; sports design and construction consultation for companies interested in building world-class facilities; educational programs, summer camps, clinics and retreats; and resort, hotel corporate outing planning and leisure operations. Cliff Drysdale Management's property portfolio currently boasts 34 tennis facilities nationwide, including multiple Gold, Silver and Bronze Medal ranked tennis resorts on Tennis Resorts Online's Top 100 list. In July 2018, Troon®, the leader in club management, development, and marketing acquired Cliff Drysdale Management. The acquisition brings together two influential sports management companies that have been excelling at locations around the world for more than two decades.
