

## [How to Successfully Start and Grow a Home-Based Business](#)

---

**Where:** The FREE webinar will be held remotely via RingCentral Meetings and you can register [here](#).

---

**When:** Saturday, March 20, 2021, 10:00 a.m.  
RingCentral Meetings

Fred Douglass Community Development Corporation (FDCDC) invites the public to attend.

---

**Purpose:** The purpose of this webinar is to provide people with ideas and resources to run a successful home-based business during the pandemic, without the high cost of a brick and mortar business.

---

**Description:** A home-based business allows entrepreneurs to start small businesses without the expense of purchasing a building or equipment. Most home-based businesses don't have to comply with all the laws and complicated regulations that larger businesses must deal with. Attend this webinar to learn how you can run a successful home-based business that just may outgrow your home! You'll hear important tips such as:

- The variety of businesses you can run from home.
- Important considerations regarding business structure, license and permit requirements, zoning and homeowner restrictions, and more.
- Critical financial and record-keeping practices and tax issues.
- Key marketing ideas that put your best foot forward and accelerate your business growth.
