

Save Money & Enjoy Better Xfinity/Comcast Internet!

So, you lease an Xfinity/Comcast modem/router and would prefer to save money while enjoying better Internet? Here are some steps you can follow!

- 1. Purchase an approved xfinity cable modem.**
 - a. <https://www.xfinity.com/support/articles/list-of-approved-cable-modems>
 - b. We recommend the Motorola MB7220 for most (If no voice service.)
 - c. If you have REALLY high speed, consider the Motorola MB8600.
 - d. If you have VOICE services, consider the Arris Surfboard SBV2402.
 - e. You can use Amazon, BestBuy, Newegg.com, etc., for the purchase.
- 2. Purchase a WiFi mesh router system for your home/office network.**
 - a. We recommend the Deco M5 2-Pack Whole Home Wi-Fi System for smaller homes and the Deco M5 3-pack Whole Home Wi-Fi System for larger homes.
 - b. <https://www.tp-link.com/us/home-networking/deco/deco-m5/>
- 3. (Optional) Call xfinity sales and ask what it would cost monthly to upgrade your Internet to the next level plan.**
 - a. You can just collect information, no rush to commit unless ready.
 - b. Ask about download and upload, different pricing may come with different bundles and/or level of commitment.
- 4. Install/activate the new modem.**
 - a. <https://www.xfinity.com/support/articles/activate-internet-gateway-modem>
- 5. Install the new WiFi.**
 - a. Instructions will come with unit.
 - b. Install Deco App from Play Store/App Store.
 - c. Play Store: https://play.google.com/store/apps/details?id=com.tplink.tpm5&hl=en_US
 - d. App Store: <https://apps.apple.com/us/app/tp-link-deco/id1186159417>
 - e. Create account with primary email.
 - f. Follow app for setup.
- 6. Return leased modem/router back to xfinity.**
- 7. Enjoy better Internet.**
