HEARTS OF GOLD  
POLICE FAMILY OUTREACH FOUNDATION**

**ARTICLE I – MISSION STATEMENT**

**Section 1:** The mission of the Hearts of Gold Police Family Outreach Foundation is to provide financial relief and support to qualified participants and their families in times of need and/or distress, as well as to offer philanthropic outreach to the Tucson Police Department community and the greater law enforcement community of Southern Arizona.

**ARTICLE II – COMMITTEES**

**Section 1:** In addition to the Nominating Committee - outlined in the bylaws, it is the intent for the following to be standing committees of the Foundation. At the direction of the Chair, some committees may become inactive due to low Board Membership, however, they are to become active as soon as Board Membership allows. Each committee shall be chaired by a voting Board Member. With the exception of the Executive Committee, committee members may include current Department members or community members who are not current voting Board Members.

**Section 2: Executive Committee.** The Executive Committee will consist of the Officers of the Board. The Executive Committee is the ultimate decision-making authority of the Organization. All other committees shall provide recommendations to the Executive Committee for final approval. The Executive Committee is also responsible for coordinating with the Executive Director to receive applications for assistance from qualified participants in need. The Executive Committee will review all applications for assistance and determine if the request qualifies for assistance. The Board Chair may include additional Board members for the purposes of reviewing assistance requests.

**Section 3: Development Committee.** The Development Committee shall be responsible for the overall development of the Foundation. They shall coordinate with the Executive Director to seek and evaluate all proposals for fundraising activities and report such opportunities to the Board. The committee shall coordinate all qualified participant drives and make presentations to employees and employee groups. This committee will work with the Treasurer and Executive Director on all qualified participant status changes. At the Board's direction, this committee would be responsible for evaluating and recommending a process for qualified participation of retirees. Although not required, it is recommended that this committee include a current sworn and professional staff qualified participant.

**Section 4: Scholarship Committee.** This committee is responsible for coordinating and facilitating the scholarship program for qualified participants. This includes advertising and answering questions from qualified participants regarding the Scholarship Program.

**ARTICLE III – Financial Assistance**

**Section 1:** The Board is solely responsible for the approval of all requests for financial assistance from qualified participants. The Executive Director shall, within 72 hours from receipt of an application for assistance, confirm that the applicant is a qualified participant and:

- a) Applicant is applying for themselves or an immediate dependent family member.
- b) That the need for assistance has evolved from an incident arising due to death, disability, illness, injury or some other catastrophic circumstance not related to employment status or vagaries of the economy; including assistance for non-traditional therapies, and for current employees, that the circumstance which caused the need occurred while they were employed as a member of the Tucson Police Department. This stipulation does not apply to retired participants.
- c) That the need for assistance is specifically for the qualified participant or their dependent family member; or that the need is related to the death of another immediate family member. On a case by case basis, situations regarding a qualified participant's family that are outside the stated parameters may be considered at the discretion of the Board of Directors.
- d) That the catastrophic circumstance has caused or will cause a financial hardship for the qualified participant and the application for assistance details the hardship.
- e) That the applicant has complied with all requirements for past disbursements if applicable.

**Section 2: Distribution Amounts.** Maximum distribution amounts are applied to qualified participants, not individual requests. For example, a qualified participant who receives five assistance grants in one year for five different family members at \$5,000 each would reach the annual maximum even if only one of those requests was for the participant.

- a) The following are the current maximum distribution amounts for qualified participants and their family members who are current employees:
  - i. Annual: \$25,000
  - ii. Lifetime: \$50,000

If checks are issued to a qualified participant, all certificates, medical receipts, invoices, or other proof associated with the expenditure of disbursed funds will be returned by the receiving qualified participant within 45 days of the disbursement of funds, upon request of the Executive Committee. Should a qualified participant fail to provide the requested documentation, they may be required to return the funds. At the discretion of the Board, the qualified participant may also be restricted from future assistance for a specified period of time and/or be removed from the program entirely.

The Executive Director shall have the authority to issue checks up to \$10,000. For checks over \$10,000 the Treasurer shall be the primary signer, however, the Chair or Vice-Chair may sign in the Treasurer's absence. Two signatures shall be required for checks over \$25,000.
