"When summer gathers up her robes of glory, and, like a dream, glides away." — Sarah Helen Whitman

Hog roast fund raiser set for Sunday, September 8th

All-you-can-eat for \$10; Vikings game, animal races; Advance tickets available at club

The siding project of the Morris Eagles building is in full swing and we hope you are liking the results. Last fall, the west side of the building was completely resided in addition of new trim and LED lighting. While the aerie is tackling the East side this summer.

After a successful pork chop supper held in June, the aerie will be hosting an all-you-can-eat hog roast dinner on Sunday, September 8th from noon-4:00 p.m. The menu includes pork sandwiches, chips, beans and coleslaw. The event is open to everyone. Advance tickets are only \$10 (or \$12 at the door the day of the event.) Tickets are available for sale at the club or from any aerie officer.

Doors open at 11:00 a.m. with animal races - races will run throughout the game and also afterwards. Vikings kick off at noon!

Eagles to sell burgers, brats and hotdogs at Cougar football games

3-4 volunteers are sought to help out during each of the six home games at Big Cat Stadium

This fall, the Morris Eagles continues its tradition of selling grilled hamburgers, brats and hot dogs at the University of Minnesota Morris Cougar Football home games. This outreach effort helps promote the Morris Eagles throughout the community, while at the same time, allows us to raise money for Eagles' initiatives back at the club.

The Cougar football team will host six home games at Big Cat Stadium this season: Sept 7th at 6:00 p.m. vs River Falls; Sept 14th at 6:00 p.m. vs. Valley City State University; Sept 21st at noon vs. Macmurray College; Oct 19th at 6:00 p.m. vs. Northwestern; Oct 26th at noon vs. Westminster College; and Nov 9th at 1:00 p.m. vs St. Scholastica.

The Eagles is looking for 3-4 volunteers for each event. If you are interested, please call/text Mike at (320) 287-1735 or Randy at (320) 288-9270. Thanks for helping out!

Friday Night Grill to resume Friday, September 6th

New and returning favorites to kick off 25th year!

Friday Night Feed is returning for its 25th year on September 6th serving all of your local favorites: burgers, chicken drummy and strip baskets, shrimp baskets, and boneless BBQ wings. This year, we will be also offering a grilled cheese sandwich and/or baskets along with a special kids' menu. The feed is from 5:00-7:30 p.m. each Friday evening unless noted on the Eagles' Facebook page.

Make the Morris Eagles your stop for great food this season on Tuesdays and Fridays! Remember, Friday is 'Minnesota Beer Night' - 50-cents of all Minnesota based brews and ciders!

Vikings trip to be held Sunday, September 22nd

Member/guest event is open for 90 people; Sign-up sheet at club

The Morris Eagles is excited to host the second annual bus trip to US Bank Stadium on Sunday, September 22nd as the Minnesota Vikings host the Oakland Raiders. The event is open to all aerie and auxiliary members, and they may bring one non-member guest. The event is limited to 90 people.

Cost of the event is \$120 per person and includes coach transportation to US Bank Stadium, one ticket to the game, all games provided on the bus and a tip for the drivers. The sign-up sheet is located at the club and will request the name, cell number and email address of all patrons. Payment for each ticket is required at time of sign-up.

Kickoff is at 12-noon, with the bus departing the Eagles Club at 7:30 a.m. sharp. Attendees are encouraged to park in the Eagles Parking lot and any adjacent public street parking. Please refrain from parking in the nearby private parking lots including DeToys' restaurant, Ace Hardware or Willie's Super Valu.

Patrons may bring their own food and beverage onto the bus.

After the game, the bus will depart US Bank Stadium at approximately 4:30 p.m. and we are planning on visiting the St. Cloud Eagles Club #622 on the way home for supper where we can order off the menu, or they may have a dinner special just for us.

Exterior siding project progressing; fundraising still underway

\$6,194 in contributions raised from 66 members

Work on the East side of the club is progressing nicely, thanks to our members, local vendors and tradesmen. The work is a welcome sight to the neighborhood.

Continuing the project on the east side presented additional issues not present to the west side, namely relocating a gas line that feeds the kitchen appliances and back room furnace, rerouting electrical conduit to the inside of the wall, and the addition of a guard rail to prevent cars from hitting the building.

To date, the Eagles has raised \$6,164 thanks to the efforts of our members and community. In addition to contributions from our own members, the Eagles has hosted several events to help out with the expenses, including a Spaghetti Supper, Pork Chop Supper, grilling at Cougar games and this month's Hog Roast.

The Eagles is still accepting contributions of any size. Simply mail or drop off a contribution to the club.
