IN MEMORIAM

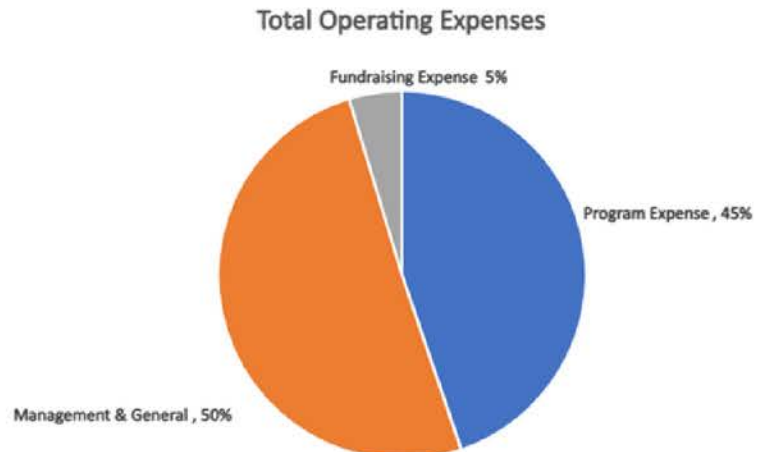

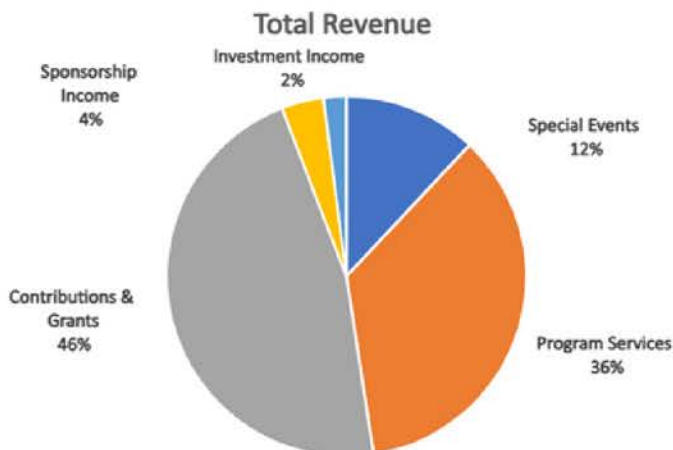

On April 14, 2023, Dr. S. Terry Lehr passed away unexpectedly. Terry had served on the Windy Hill board of directors since 2001, and was planning to complete his service on June 30. Terry was a wonderful leader and advocate for the organization. In 2011, Terry was instrumental in establishing Windy Hill's first Endowment Fund through the York County Community Foundation. His passion for the mission and creating a vehicle to sustain the program into perpetuity was an inspiration for others.

MESSAGE FROM THE EXECUTIVE DIRECTOR

I am pleased to present the Annual Report for 2022-23, a year that has been marked by tremendous growth and meaningful impact. As the Executive Director, I am honored to share with you the achievements, challenges, and milestones that have shaped our journey over the past twelve months.

Our financial standing remains strong thanks to the many donors who commit their support to our mission. Our wonderful team including the Board of Directors and our staff managed resources, ensuring that every dollar is maximized for the greatest impact. We express our deepest gratitude to our donors, partners, and supporters for their unwavering commitment to Windy Hill on the Campus.

Throughout the 2022-23 fiscal year, we have made significant strides in maintaining and growing programs. Our new Heart Healthy program provided over 100 older adults with access to fresh produce through our pop-up produce market, nutrition education, and fitness strategies to live healthy lives. In addition, our Creative Writing class has been a crowd favorite inspiring members to document their memories and stimulate their minds through this creative outlet. Our dedicated team works tirelessly to create meaningful programs that make a positive difference in the lives of those we serve.

Engaging with the community has always been the cornerstone of our approach. In the past and in our current year, we have been working diligently to create a community hub to serve our community. We are excited to see the Roth's Church Road Community Partnership with the YMCA of the Roses, Spring Grove Parks and Recreation Center, New Hope Ministries, York Alliance Church, and Training Leaders through Athletics evolve over the next year. This state-of-the-art community one-stop facility will provide life-sustaining programs and resources to our residents ages 0-99. We are excited to see this project unfold over the next year. There are opportunities available to join in this exciting project, and we invite you to be part of the excitement.

I extend my deepest gratitude to our board, staff, volunteers, donors, and all those who have played a pivotal role in our success. Your unwavering support fuels our passion and propels us forward. Together we are making a difference, and together, we will continue to support our older adults with quality programming, resources, and engagement. The journey we have undertaken has been remarkable and we are excited about the opportunities that lie ahead.

Mission Statement
