Message from the Director

June, 2021

Swing into Summer at Windy Hill!

It's been great to see all of our friends back at Windy Hill. Although we are still mandated to comply with the social distancing requirements, it is great that we can entertain small groups at the center again. With the warmer weather coming, we will be scheduling some outside activities as well. Please keep in mind if you would like to participate in anything, you will need to pre-register so that we know you are coming. For the exception of outdoors, masks are still required to be worn inside the center at all times. Unfortunately, the recent cancellation of mandates through the Governor's office does not apply to senior centers. At this time, we are awaiting word from the PA Department of Aging regarding center mandate changes.

Please mark your calendars for our upcoming **Wellness & Vendor Fair** scheduled for Thursday, June 24. This is the event that we normally held in March. We are excited to offer this event again. Please be sure to pre-register. In addition, the outdoor café patio is available for you to enjoy a cup of coffee or to enjoy your lunch.

Lastly, I want to sincerely thank all of those who donated to the Give Local York event. This is, by far, our largest fundraising event of the year, and our members and friends did not disappoint. To date, we have collected a record of over \$43,000! We are truly blessed by our generous friends and members, and we thank you!

We look forward to seeing you at one of our activities soon!

Tammy Miller

Note: Please update your emergency contact information with Nancy. Using your spouse as your contact in an emergency does no one any good when your spouse is here with you at the center or on a trip.

Swan Point by Sherryl Woods

Determined to build a new life for her family after her divorce, Adelia Hernandez has bought a home in the historic Swan Point neighborhood of Serenity. Promoted to manager of Main Street's most fashionable boutique, she feels revitalized and ready for a fresh start as a single mom. But barely into this new independent phase, she crosses paths with the sexiest man to hit Serenity in years.

Gabe Franklin, back in town to make amends for past mistakes, has no intention of settling down, but Adelia's proving irresistible. Cheered on by their friends "the Sweet Magnolias," Gabe is bringing long-absent passion and laughter into Adelia's life. To his surprise—and hers—sometimes a rolling stone is just what it takes to build the rock-solid foundation of a family.

The Glatfelter Memorial Library will bring a limited number of books to the center, if you have an eReader or tablet, it is recommended that you set up a Hoopla account and borrow the book electronically. Contact the center if you need assistance.
