# Message from the Executive Director

As we round out another year at Windy Hill on the Campus, I want to take this opportunity to express my gratitude to the many amazing people who support our mission. First, we are blessed with an amazing group of over 1,000 members who attend our programs, eat lunch, and support our many services. Second, there are approximately 125 volunteers who provide valuable support from serving on our board and committees, to dropping off home delivered meals, to serving in the kitchen, to working the coffee bar, just to name a few. And, finally, our wonderful, dedicated staff who, passionately, serve out our mission by providing quality programming, professional service, and a welcoming and fun environment everyday. All of these individuals help to make Windy Hill the best organization for older adults in our community. I encourage you to check out our statistics from the last year on the following pages of this report.

Additionally, there are a lot of great things coming in the next year. The Roth's Church Road Community Partnership has established a timeline for the renovation and development of our building. As the new owner of the building, the YMCA of the Roses will be partnering with Windy Hill, Spring Grove Regional Parks and Recreation Center, New Hope Ministries, Training Leaders Through Athletics, and York Alliance Church to create a community hub for residents ages 0 through 99. This amazing and unique collaboration will provide one-stop-programming from health and fitness programs to life-long learning opportunities, food security support, childcare, and much more. The next year may prove challenging due to the extensive building renovations, but, in the end, it will be worth it! I encourage you to provide us your patience and support through this transition. In the end, the senior center will have a beautifully renovated space with access to state-of-the-art program areas.
