

# Intergenerational iPad Course for Beginners is Back!

Windy Hill will once again be offering a **no-cost** iPad course for beginners Tuesdays. The participants will meet weekly for 1 hour sessions over an 8-week period at Windy Hill.

## INTERNET SEARCHING

Learn how to search for information on the internet.

## DOWNLOADING APPS

Explore some free apps to help connect you with others, help keep your brain active, etc.

## USING THE CAMERA

Learn how to use the camera on the iPad to take photos, and how to send the photos to family and friends.

## COMMUNICATION

Learn how to stay in touch with others using the iPad.

- Video calling
- Email
- Social media outlets

# Starting January 17 at 9:30 am

This course will be taught by Jenna Lawrence, with the help of Spring Grove High School students who will serve as one-on-one "tech buddies" to help guide the participants through the tasks.

\*The class is limited to the first 14 participants who register. Contact Jenna for registration forms and with any questions.
