March, 2021

A year ago, on Friday, March 13, Windy Hill closed its doors to our members and the public because of the COVID-19 pandemic. At that point we thought that we would be closed for a few weeks and then re-open and operate normally. Wow! Little did we know, and it’s probably good we did not! It has been quite a year! But, we are feeling encouraged as we hear members discuss getting their vaccine appointments. We are getting closer to being able to open our doors and enjoy in-person programs and activities. In addition, we are looking forward to some warmer weather when we can enjoy larger group activities in our outdoor café and our outdoor area.

So, we are happy to report that we will, once again, provide some very limited in-person programming this month. It will look similar to when we opened our doors in September and October. That means we will need everyone’s cooperation in order to do this in a safe manner. We will not be inquiring as to whether or not members have gotten or plan on getting vaccinated. Windy Hill will implement our safe opening procedures regardless of whether or not members have been vaccinated. Therefore, everyone will be following the same procedures and guidelines. We will continue to wear masks, check temperatures, ask screening questions and sanitize the facility. Since there will be a limited number of spots available for various activities, members must be registered prior to coming to the center.

Please help us to enforce the following:
- Members must wear face mask covering nose and mouth at all times
- Members may only enter the building if they have a scheduled program to attend
- No members will be permitted in the office or kitchen area (only trained, scheduled and badged volunteers)
- Minimize contact with our receptionist
- Members must sanitize exercise equipment used and proceed to the front exit doors upon completion of the class — no congregating in any areas will be allowed
- Donation box will be located in the lobby area
- Members are permitted to bring 1 personal water bottle and 1 snack item for their own personal consumption; one small purse-sized bag; no lockers may be used
- Only 1 member will be allowed in each restroom at a time, and restroom use should be avoided if possible
- Members may not bring in any food/drink items to share with others

Looking forward to seeing your faces in the coming months!

Tammy Miller
