 - Each District needs a Rep. too stay in contact with their Legislator and the ABATE Legislative Director.

2. Get involved, in County Party Politics!
 - Offer to do a ride,
 - move furniture,
 - donate money,
 - go to meetings,
 - offer security, etc

3. MEET YOUR LEGISLATOR FOR COFFEE, between now and January
(This a must)
 - Invite them to a Freedom Run!
 - Take them to lunch, with your buds. (Buy them lunch)
 - Give them \$5 bucks or more each, (If you like them)
 - Invite them to a chapter meeting.

4. How to make appointments for Black Thursday?
 - Select one person from your chapter. (to eliminate duplication)
 - Pull your folks to see if they have done this or know any of the Legislators.
 - To find your Legislators info go to: **WWW.leg.wa.gov/wsladm/default.htm**
 - Know how many folks from your district will be attending with you. (reserve a room if over 6, ASK LA How)
 - Call LA (Legislative assistant) They are the key, be nice, friendly tell them why you want a few minutes with their boss. They know what it is about.
 - If you can go to Olympia and pre-meet the LA and get the lay of the land, try to schedule based on office locations. If you are not careful, you might get real tired going up stairs and elevators.
 - Be flexible, sometimes you might need to walk down a hall with Legislator. Sometimes you might have to split your forces.
 - Start in November, Early mornings are best to call and to meet.
 - Any troubles, Call me
