

Education (Academic) Committee

This committee will serve as KWFB's primary interface with the local school system to support their efforts to meet or exceed the (K-5) requirements set forth in Louisiana Act 72. Additionally, this committee may initiate programs or activities that serve to instill in WF students, the detrimental effects of littering, the beneficial aspects of recycling, and the importance of community involvement and volunteerism. Some activities might include, but not be limited to, sponsoring age-appropriate contests that utilize incentives (*wristbands, stickers, decals, lapel pins, etc*), partnering with local schools, school clubs (*Art Club / LSU Extension Service / 4H*) to undertake projects and activities that promote gardening, recycling, composting, and environmental responsibility.
