

## **Membership / Volunteer Committee**

Given the nature of this committee's work, I think that it would best be chaired by the KWFB Sec'y-Treasurer, since he/she would normally be charged with the maintenance of KWFB's checkbook and records.

This committee would develop the protocol for KWFB membership and dues schedules and develop campaigns intended to encourage and increase KWFB membership, volunteers or supporters.

Develop and maintain active membership / volunteer rosters for use in calling on volunteers to support various KWFB-sanctioned activities.

This committee will be responsible for filing annual reports with the La Sec'y of State, IRS, Keep Louisiana Beautiful, etc

This committee will perform such duties as maintaining the Post Office Box key and regularly check the mail
