

5th Annual Regional Conference:
Pivoting Towards CHW Professionalism
JULY 29, 2022

Texas Health Resources Pavilion
Arlington, TX 76011

Conference Speaker

Quisha Umemba is the CEO of Umemba Health, LLC and Training Director of Umemba Health Academy, a virtual campus for campus for Community Health Workers, CHW Instructors and other frontline public health professionals. As a nurse with a public health background, Quisha has a multifaceted, blended expertise that enables her to design uniquely specialized curriculums and training programs with multi-level interventions. The result of her training programs is a multidimensional skillset that her clients are immediately able to apply to the real world, improving public health and changing lives one patient at a time.

Quisha holds certifications as a Certified Diabetes Care and Education Specialist, Certified Lifestyle Coach, and Certified Community Health Worker, just to name a few. She has developed, implemented, and overseen numerous health initiatives and community collaborations throughout her 21-year career.

An advocate for health equity, her life's mission is to empower, educate, and transform the lives of others.
